falling under its influence. Book 3 in The Alaris Chronicles brings a stunning conclusion - full of twists, turns, magic, and unanticipated events. Dragon King Bakari, Battlemaster Alli, and High Wizard Roland are now powerful leaders in their own right. Differing missions and responsibilities have separated them; Bakari flies north to find the last Dragon Rider, Alli goes south to find the source of the evil, and Roland, leader of the Citadel, finds himself stuck in the magic stream without his body. The Dragon King and his riders always emerge in times of great need - but will their powers be enough? Or will they succumb to the temptations of evil? Each wizard and Rider will be tested - not all of them will pass.
