Insight Guides: Great Breaks Belfast-Insight Guides 2014-03-03 Belfast is an exciting place: forget its troubled past, this is a city keen to welcome visitors and fulfills its potential as a vibrant European city. The city centre is a mixture of grandiose architecture, chic shops, bustling markets and stylish restaurants catering for a cosmopolitan capital city. The handy pocket-sized Great Breaks Belfast is packed full of ideas on what to do and see here, including the Titanic Quarter, the Ulster Folk and Transport Museum, and the astonishing Giant's Causeway. Ten walks explore the city itself, then there are three excursions into Northern Ireland's beautiful countryside and coastline. We focus on Belfast's unique cultural heritage, as reflected in its Mural Arts, the Titanic legacy and its historic pubs (we recommend the best). Each route has its own detailed map for easy orientation, and vivid photography on every page captures the essence of this fascinating city. We include plenty of practical information to plan your trip and select accommodation options to suit all tastes and budgets.

The Outlying Fells of Lakeland-Alfred Wainwright 2011-06-01 This is the legendary A. Wainwright's guide to his selection of 56 "fouthills" in Lakeland, brilliantly revised and updated by Chris Jesty. The outings described here with typical eloquence and humour were chosen by Wainwright with a particular readership in mind: "those walkers who, because of age or infirmity, must be content with milder expeditions on lesser fells." This guide is packed with gems of outstanding beauty which you don't have to be super-fit to enjoy: Orrest Head, where Wainwright's love affair with the Lake District began; Scout Scar, 'a pleasure every step of the way'; Beacon Fell, 'the epitome of that appeals to fellwalkers'; and many, many others. All the walks fall within the boundaries of the National Park. In the second edition, the main routes are picked out in red for greater visibility, and parking information is given where possible.

Lord Edwin's Hunt-Ralph Neighbour 2016-09-19 It is 1846, the year of the Mexican war. Lord Edwin of Drumcliffe comes from Ireland to the American frontier by way of Mexico City on a failed mission for Queen Victoria. His son, Percival, is to be made a man on this venture. Ouray, a young Ute, guides the final leg from Santa Fe to the hunting grounds, a large basin deep in the Rocky Mountains known as Bayou Salade, present day South Park, Colorado, a province of the Ute nation. On the way Percival receives a severe head injury. Percival's manservant and companion, Young Tom, doves. Ray Dobb's, a retired Ute trapper mountain man and guide has preceded with horses and supplies from St. Louis, charged by fate with the care of four wails accumulated on the prairie passage. Ray greets the Earl's entourage at the Bayou and the hunting begins. The resident Ute's become alarmed at the efficiency of the killing. The story is told by the seven youngsters.

Unknown Fate-Eric Fulton 2016-12-11 Since the dawn of time, fire has been the essence of light, protection, and destruction. As an ally and savior, it has built the mightiest of citadels, empires, and countries. As an enemy and destroyer, it has consumed everything it touches. It was prophesied in the Ancient world, that the destruction of Earth, as we know it, would come in the form of fire. But what if fire was the essence we needed to save this world? During the early 1970's, after segregation, an unlikely bond formed between an African American boy named Billy Smalls and Caucasian girl named Mariah Clover. Though segregation was over, the southern town of Stone Mountain, Georgia held on to many of their racial ideologies. Though their friendship faced many obstacles, Billy and Mariah formed a bond of undying love. At the center of Stone Mountain's economy is a nuclear power plant that is owned by a business tycoon who inherited his father's wealth. Needing to make his own mark on the world, he does whatever it takes to gain more control and power. After him and Billy's paths cross, they are effected by a nuclear disaster that changes the fate of the world as super human powers emerge and evil tries to conquer it. However, in the midst of evil, a hero is born with the power of the sun. Despite having super powers, treachery and betrayal awaits around every corner. Though young, this hero is ready for the world's greatest adversaries, or will everything be consumed by evil?

Serendipity's Trace-Theodrose Fikre 2016-08-26 Theodrose Fikre is a visionary author who is passionate about justice for all irrespective of our differences. Theodrose is named after and is the grandson five generations of
Emperor Atse Teodrose II—the greatest king and visionary leader of Ethiopia. Teodrose writes of the hope possible in unity while addressing the very issues that lead to the scale of inequity that is pervasive in our society. Born in Ethiopia the same year Emperor Haile Selassie was overthrown in 1974, Teodrose Fikre is a prolific writer whose speech idea was incorporated into Barack Obama's South Carolina primary victory speech in 2008. A lot has changed in the intervening years, a transformation caused by the most unlikely circumstances which led to Teodrose's education of our common bonds and humanity's struggles without regard to the barriers that are erected to separate us. Teodrose's pen is poignant, writing of love and loss, injustice and resilience. Most important, Teodrose's writing is a critique of our time and a much needed focus on the issues that divide us and the core of our collective struggle that often gets blurred by manufactured outrages and stoked grievances. A must read for those who hope to one day overcome injustice with a common purpose. Serendipity's Trace is a collection of poetry and observations that express hope through struggle and traces the experiences that have shaped Teodrose's past and present. Powerful, emotion, and raw in its eloquence, Teodrose's writing is one that speaks to our collective conscience.

Mektar—Scott Becker 2016-02-03 The Earth is at a crossroads. Adrian Miller, one-time ruler of the modern world, reviled by many, is presumed dead. But in truth, he is quite lost, trapped on an alien world. Now finding himself with a second chance, he takes the opportunity to try and reconcile with his past, build a new future. But it soon becomes apparent that far more than his conscience is at stake if he can't. Henry Forman, beloved hero and brilliant engineer, has his new life with the woman he loves ripped swiftly out from under him before it begins. A crisis of unprecedented scale emerges. He must rise to face this challenge, as there aren't many others who will. And yet, he doubts that he can do enough to make a difference this time. Both must race against the clock if they are to rediscover who they really are, and save all of humanity from a terrible fate. Destiny may have stitched their lives in place, but strings can sometimes unravel.
