The definitive guide to classic films from one of America's most trusted film critics Thanks to Netflix and cable television, classic films are more accessible than ever. Now co-branded with Turner Classic Movies, Leonard Maltin's Classic Movie Guide covers films from Hollywood and around the world, from the silent era through 1965, and from The Maltese Falcon to Singin' in the Rain and Godzilla, King of the Monsters! Thoroughly revised and updated, and featuring expanded indexes, a list of Maltin's personal recommendations, and three hundred new entries—including many offbeat and obscure films—this new edition is a must-have companion for every movie lover.

In the past, work has shaped the way we live. In the near future, the way we live may shape the way we work. Workspaces creatively confronts the design demands of the ever-evolving contemporary work environment. Featuring design products, prototypes, and models, as well as previewing a ground-breaking exhibition at the Museum of Modern Art, New York, this exciting book introduces work concepts originated by internationally recognized designers who address the unique needs of specific work scenarios, including the nomadic office of a business traveler; the domestic office; the virtual office; and more traditional offices in settings configured for group interaction. Essays and commentaries by an international group of design experts explore such themes as individuality within a corporation; the impact of digital technology on the organization of time and schedule; and the economic significance of flexible work configurations. Copiously illustrated, this source-book will be of wide popular interest.
