Includes old favourites with lesser known fables.

In 1489 Johan Hurus printed the first collection of fables in Spain, *Lavida del Ysopetconsusfabulas hystoriadas*. Illustrated with nearly 200 woodcuts, this work quickly became the most-read book in Spain, beloved of both children and adults. Reprinted many times in the next three centuries and carried to the New World, it brought to Spanish letters a cornucopia of Aesopic fables, oriental apologues, and folktales that were borrowed by such writers as Cervantes, Lope de Vega, and especially the fabulists Iriarte and Samaniego. John Keller and Clark Keating now present the first English translation of this important literary work. The Latin and German lineage of *La vida* was significant, for it placed Spain in the mainstream of European fable lore. The highly fictitious life of Aesop, the misshapen Greek slave who reached the highest social level, contributed to the development of medieval romance and the picaresque novel. The book is thus important to students of comparative literature, literary history, and the development of the Spanish language. Of equal value are the woodcuts, which depict the daily life of medieval Europe and contribute to a better understanding of fifteenth-century art history, bookmaking, natural history, and the visualization

“A welcome feast of fables for our times ... Carlo Gébler’s book is a wonderful, gloomy and welcome addition to the Aesopic corpus ... The stories have been re-written in a spiky, contemporary style ... The content of these pessimistic stories is thought-provoking but what makes the collection absolutely delightful is the vigor and originality of Carlo Gébler’s writing. The illustrations by Gavin Weston are likewise magnificent.” —The Irish Times “This repackaging of [Aesop's] fables by Carlo Gebler and illstrator Gavin Weston is a reminder that adult minds were originally the target of this litany of pocket-sized parables ... There is very much a feeling here of the ancient sound-tracking the alarmingly present.” —Sunday Independent (Dublin) “Scary new versions of ancient morality tales, Aesop's Fables, with stings in all their tails [...] are full of adult wisdom, human misfortune and bitter experiences, which, because they happen to other people, are hilarious.” —Belfast Telegraph THE GREATEST COLLECTION OF FABLES EVER WRITTEN, UPDATED FOR OUR TURBULENT TIMES A witty

illustrated version of the world's greatest collection of fables, allegedly written by a slave in the 5th century BC. A book for our times: as Gebler notes, Aesop has two subjects—the exercise of power and the experience of the powerless who endure life and all that it inflicts on them. This retelling of the Fables makes them relevant and richly enjoyable. Large and fierce animals kill and butcher weaker creatures; gods play games with the hopes and fears of lesser species, including men and women; and occasionally the weak turn the tables on the strong, exposing their pretensions. This is a stunning new version of a book that was often bowdlerized and used to teach moral lessons to children. Gebler's Aesop is darker and more realistic, and compulsively readable.

most inspiring tale of them all. Gracefully revealing the genesis of his tales, this story of Aesop shows how fables not only liberated him from captivity but spread wisdom over a millennium. This is the only children's book biography about him. Includes thirteen illustrated fables: The Lion and the Mouse, The Goose and the Golden Egg, The Fox and the Crow, Town Mouse and Country Mouse, The Ant and the Grasshopper, The Dog and the Wolf, The Lion and the Statue, The Tortoise and the Hare, The Boy Who Cried Wolf, The North Wind and the Sun, The Fox and the Grapes, The Dog and the Wolf, The Lion and the Boar.

Aesop was probably a prisoner of war, sold into slavery in the early sixth century BC, who represented his masters in court and negotiations, and relied on animal stories to put across his key points. All these fables, full of humour, insight and savage wit, as well as many fascinating glimpses of ordinary life, have now been brought together for the first time in this definitive and fully annotated modern edition.

In this collection of over three hundred fables, Aesop unravels the morals behind every action in human nature. Included are the favourites "The Shepherd-Boy and the Wolf," "The Tortoise and the Hare," and "The Dog and the Shadow." These time-honoured morals teach children that persuasion is better than force, slow but steady wins the race, and to look before you leap. A fable is often thought of

as a story intended to help children learn wholesome values and how to behave within society at large. However, in ancient Greece, fables were used as a means of persuasion, as the moral of a fable can be delivered in an indirect manner. This helped philosophers such as Plato, Aristophanes, and Socrates argue controversial points without offending their audience. This cloth-bound book includes a Victorian inspired dust-jacket, and is limited to 100 copies.

Who do you think is stronger – the Sun or the North Wind? They both found themselves in a dispute because they both thought that they were strongest. They saw a traveler who was just passing by and they decided that whoever made the man remove his cloak would be proclaimed the strongest. A winner is declared. Who will it be and what is the moral of the story? Find out in Aesop's fable "The North Wind and the Sun".

Aesop's fables feature animals, legendary creatures, plants, inanimate objects, or forces of nature that speak, solve problems, and generally have human characteristics. All the stories story lead to a particular moral lesson. Aesop (620–564 BCE) was a storyteller that was believed to have lived in Ancient Greece. He is celebrated for a number of fables now collectively known as Aesop's Fables. In the few scattered sources about his life, Aesop was described as a slave who by his cleverness acquires freedom and becomes an adviser to kings and city-states. Although Aesop's existence remains unclear, numerous tales credited to him were gathered across the centuries and in many languages in a storytelling tradition that continues to this day.

It is believed that Aesop was a slave who lived in ancient Greece between 620 and 560 B.C. This illustrated collection contains 110 of his celebrated fables. Sayre Street Books offers the world's greatest literature in easy to navigate, beautifully designed digital editions.
