Based on the first half of the longtime market-leader BUSINESS LAW: TEXT AND CASES by Clarkson/Miller/Cross, this paperback text offers an affordable solution for the first course in a business law series, often a requirement for business majors. It delivers an ideal blend of classic black letter law and contemporary cases. The text's strong student orientation makes the law accessible, interesting, and relevant, with cases that represent the latest developments. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This is the 1998 report of the panel formed as a result of the 1992 President John F. Kennedy Records Collection Act. "The Review Board has worked hard to obtain all records relating to the assassination of President Kennedy and to release the records to the fullest extent possible to the American people. The Board and its staff have contributed significant professional and personal time to this important effort. We have done so in the hope that release of these records will shed new evidentiary light on the assassination of President Kennedy, enrich the historical understanding of that tragic moment in American history, and help restore public confidence in the government's handling of the assassination and its aftermath. The Review Board's Final Report is unanimous. It summarizes the Board's experience in interpreting and applying this unique way to provide broad access to government records. Most importantly, it illuminates the Review Board's legacy--the John F. Kennedy Assassination Records Collection at the National Archives."Contents: Chapter 1: The Problem of Secrecy and the Solution of the JFK Act * Chapter 2: Establishment of the Review Board and Definition of "Assassination Record" * Chapter 3: Public Activities of the Assassination Records Review Board * Chapter 4: Developing the Review Process * Chapter 5: The Standards for Review: Review Board "Common Law" * Chapter 6,

Coyote Speaks describes the strengths, the strategies, and the resilience a therapist needs to work successfully with alcoholics and addicts. It reports what a therapist sees, hears, smells, and feels in the midst of treating those yet to achieve sobriety, those recently sober, and those with years of recovery behind them. In the Navajo cosmology, those possessed by Coyote are neither inherently evil nor morally lacking, but like alcoholics and addicts they suffer from a malady of the soul as much as the body. The provocative humor of Coyote stories illustrates the mercurial and quixotic nature of the alcoholic and addict in treatment, while evocative case histories from the author's private practice reveal the humanity behind a disease that binds two individuals in a struggle toward honesty, humility, and sobriety. Coyote Speaks explores the darkness of alcohol and drug addiction, the humility we accept when we acknowledge our limitations as therapists, and the redemption we witness as we attend to a disease that is at best treatable. It is about caring enough, sometimes too much, and about knowing when to let go. It is about the importance of examining the trickster in each of us, and it is about listening, when Coyote speaks.

This is an excellent complementary text to the standard texts on American politics providing vital background in the form of historical and statistical information that enables students to see present day American politics in context.

Updated in a new 13th edition, this book is organized around a "concise and contemporary" approach that provides an overview of the American Political system and its institutions by using the constitution as its backdrop. Free of ideological and political bias, this book is structured to engage the reader in a concise and stimulating way. Covering the framework of government, its institutions, the rights of the individual, and public policy, this updated edition contains both the the 2008 historic campaign and President Obama's first year in office. Looking for a fun, rewarding American Government program that your Christian homeschooled high schoolers can handle on their own and enjoy doing? Then set them up with American Government for Christian Homeschoolers, a self-directed study that's exciting for students and worry-free for parents! American Government for Christian Homeschoolers is an interesting, faith-affirming, easy-to-use program with everything your students need for a successful overview of American Government. The four daily readings per week are short and punchy (many are between 2-4 pages), and each daily section includes "What Do You Think?" review questions designed to help students really get the most out of what they read that day. (Students can check their answers on their own, or they can ask Mom or Dad to help!) Scott Clifton--author, homeschool dad, and homeschool high school co-op instructor since 2002--has created just the kind of American Government study you'll want your young person to read. Laid out in a convenient four-short-readings-per-week format, American

This convenient Portable Version of Edwards/Wattenberg/Lineberry, Government in America: People, Politics, and Policy features all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant “politics matters” theme and emphasizing public policy throughout, Government in America illustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, and helping overcome the biggest challenge instructors face in this course -- student apathy toward government.

Japanese Public Administration Its Relation to Historical Forces and Cultural Patterns A Review of the Implementation of Section 2 of the 25th Amendment Report of the Subcommittee on Constitutional Amendments, Senator Birch Bayh, Chairman, to the Committee on the Judiciary, United States Senate Senate File Government in America People, Politics, and Policy Longman Publishing Group

This comprehensive yet concise annual annotated reference source catalogs the important series, periodicals and reference tools published by U.S. government agencies. Over the years, the index section of the Guide to U.S. Government Publications has expanded to more than 40,000 entries. Agencies and titles are indexed, followed by a keyword title index for quick and easy referencing. No other single resource provides historical and current information on U.S. government publications in one place.

Packed with current examples and practical insight, Wilson/Dilulio/Bose/Levendusky's AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, 17th Edition, gives you a clear understanding of the U.S. government -- and your role in it. Highlighting emerging issues in American politics, the authors focus on the importance of governmental institutions, the historical development of governmental procedures and policies, as well as who governs in the U.S. and to what ends. New coverage

Unraveling the complexities of the U.S. political system, Geer/Herrera/Schiller/Segal's GATEWAYS TO DEMOCRACY, 5th edition, highlights the gateways that facilitate -- or block -- participation. Illustrating the relevance of government to your personal life, the authors explain how the political system works as well as how individuals and groups opened gates and overcame barriers to influence public policy. Completely up to date, the 5th edition includes expansive coverage of the 2020 elections, the COVID-19 pandemic, diversity (with a focus on Black and Latino activism), the advancement of LGBTQ rights and other issues reflecting America's changing demographic infrastructure. Supreme Court cases illustrate the constitutional and legal context in which U.S. democracy has evolved, while a Political Analytics feature helps you evaluate the vast amounts of data in today's political discourse. Explains the rise and fall of economies in Asia, Central America, and Europe since 1980, and discusses these crises in the context of continuing economic globalization. Examines the impact of new uses and forms of money, and new financial flows such as electronic moneys and offshore financial markets, showing how the US economy has benefited from money-mercantilism at the expense of other regions of the world. Provides a taxonomy of common patterns of current crises, and provides policy recommendations for global financial actors. This second edition details changes in the global situation since the first edition was published in 1994. The author is professor of economics at St. Mary's College of California.
