2011" will help readers take advantage of every tax break and deduction they may be entitled to. Original.

The essential, straightforward guide to lowering your taxes in 2016 J.K. Lasser's 1001 Deductions and Tax Breaks 2016 is the American taxpayer's guide to paying only what you owe. If April perennially finds you wondering just what you can deduct without incurring the wrath of the IRS, this book is your ticket to a smoother, less stressful tax season. If you're confused about deductions and credits, you will find your answer here. This book covers every deduction and credit available to taxpayers—whether you're qualified to take it, as well as how to actually take it. Clear and concise, this book gets right to the point and skips over irrelevant topics and opaque regulations to give you the information you need to get your taxes done and out the door. No complex tax strategies, no gaming the system, and no questionable tactics—just no-nonsense guidance on the myriad deductions and credits that provide perfectly legal—and potentially substantial—tax savings. Millions of Americans pay too much in taxes every year. Tax laws are confusing, and the threat of audit looms large, but deductions and credits are put in place to help people like you. This book helps you take full advantage of what's out there. Learn which deductions you, personally, can take Take full advantage of 2016's new saving opportunities Understand the tax laws that are relevant to you Save money on your taxes without fear of an audit Do you have any idea how much extra money you could have in your pocket every April? How much you've overpaid year after year? Put an end to it in 2016. J.K. Lasser's 1001 Deductions and Tax Breaks 2016 clears the confusion surrounding deductions and credits to help you lower your tax bill—legally.
