Fun phonics for every reader! Reading for Every Child: Phonics helps students in grade 2 develop phonics skills by concentrating on beginning and ending sounds, blends, vowel combinations, words and word families, phonemes, and sentence structure. Instructional strategies and stimulating, purposeful activities help teachers facilitate reading proficiency in students. This 80-page book supports Reading First and aligns with Common Core State Standards, as well as state and national standards. Reproducible pages and assessments are included. The primary grades offer young students opportunities to tackle the basics of reading and writing. But when they encounter the demands of intermediate and middle-level writing, many students become unresponsive, and the gap between the "willing" and "less willing" student widens. Reclaiming Reluctant Writers explores the myths and realities of writing and shows teachers how to give struggling students the knowledge, understanding, and confidence to write willingly and well. This practical guide features classroom-tested activities that take students from isolated skills to a deep and rich understanding of the form and function of language. Included in the book are many strategies for teaching the essentials of good writing: Topics and Flow of Ideas Organization Fluency and Experimentation Competency Peer Editing Power and Voice Reclaiming Reluctant Writers focuses on inspiring and nurturing young writers to become more competent and to regard writing not as a chore, but as a purposeful, pleasurable and satisfying experience.

Hands Pointed UP is a quick read of 60 inspirational sayings that include the word "up." It includes biblical references and observations that will help you keep a positive attitude.
