

Hocus Pocus Kurt Vonnegut

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds*. Selected by the Modern Library as one of the 100 best novels of all time, *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

Whether we're together or apart, there's plenty to be thankful for this Thanksgiving! Learning the importance of thankfulness is as easy as 1-2-3 with this sweet board book that fosters social emotional development. One little thank you can go a long, long way. Learn your 123s while discovering the value of celebrating gratitude with this irresistibly illustrated board book that's perfect for Thanksgiving and all year round! Learn to love and love to learn! Complete the series with ABCs of Kindness and Happiness is a Rainbow!

"A madcap genealogical adventure . . . Vonnegut is a postmodern Mark Twain."—The New York Times Book Review *Galápagos* takes the reader back one million years, to A.D. 1986. A simple vacation cruise suddenly becomes an evolutionary journey. Thanks to an apocalypse, a small group of survivors stranded on the Galápagos Islands are about to become the progenitors of a brave, new, and totally different human race. In this inimitable novel, America's master satirist looks at our world and shows us all that is sadly, madly awry—and all that is worth saving. Praise for *Galápagos* "The best Vonnegut novel yet!"—John Irving "Beautiful . . . provocative, arresting reading."—USA Today "A satire in the classic tradition . . . a dark vision, a heartfelt warning."—The Detroit Free Press "Interesting, engaging, sad and yet very funny . . . Vonnegut is still in top form. If he has no prescription for alleviating the pain of the human condition, at least he is a first-rate diagnostician."—Susan Isaacs, *Newsday* "Dark . . . original and funny."—People "A triumph of style, originality and warped yet consistent logic . . . a condensation, an evolution of Vonnegut's entire career, including all the issues and questions he has pursued relentlessly for four decades."—The Philadelphia Inquirer "Wild details, wry humor, outrageous characters . . . *Galápagos* is a comic lament, a sadly ironic vision."—St. Louis Post-Dispatch "A work of high comedy, sadness and imagination."—The Denver Post "Wacky wit and irreverent imagination . . . and the full range of technical innovations have made [Vonnegut] America's preeminent experimental novelist."—The Minneapolis Star and Tribune

"[Kurt Vonnegut] is either the funniest serious writer around or the most serious funny writer."—Los Angeles Times Book Review In this self-portrait by an American genius, Kurt Vonnegut writes with beguiling wit and poignant wisdom about his favorite comedians, country music, a dead friend, a dead marriage, and various cockamamie aspects of his all-too-human journey through life. This is a work that resonates with Vonnegut's singular voice: the magic sound of a born storyteller mesmerizing us with truth. "Vonnegut is at the top of his form, and it is wonderful."—*Newsday*

Hocus Pocus Penguin

A New York Times Notable Book from the acclaimed author of *Slaughterhouse-Five*, *Breakfast of Champions*, and *Cat's Cradle*. At 2:27pm on February 13th of the year 2001, the Universe suffered a crisis in self-confidence. Should it go on expanding indefinitely? What was the point? There's been a timequake. And everyone—even you—must live the decade between February 17, 1991 and February 17, 2001 over again. The trick is that we all have to do exactly the same things as we did the first time—minute by minute, hour by hour, year by year, betting on the wrong horse again, marrying the wrong person again. Why? You'll have to ask the old science fiction writer, Kilgore Trout. This was all his idea.

The New York Times bestseller from the author of *Slaughterhouse-Five*—a "gripping" posthumous collection of Kurt Vonnegut's previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, *Armageddon in Retrospect* is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today's world.

Includes an Introduction by Mark Vonnegut

NEW YORK TIMES BESTSELLER • "For all those who have lived with Vonnegut in their imaginations . . . this is what he is like in person."—USA Today In a volume that is penetrating, introspective, incisive, and laugh-out-loud funny, one of the great men of letters of this age—or any age—holds forth on life, art, sex, politics, and the state of America's soul. From his coming of age in America, to his formative war experiences, to his life as an artist, this is Vonnegut doing what he does best: Being himself. Whimsically illustrated by the author, *A Man Without a Country* is intimate, tender, and brimming with the scope of Kurt Vonnegut's passions. Praise for *A Man Without a Country* "[This] may be as close as Vonnegut ever comes to a memoir."—Los Angeles Times "Like [that of] his literary ancestor Mark Twain, [Kurt Vonnegut's] crankiness is good-humored and sharp-witted. . . . [Reading *A Man Without a Country* is] like sitting down on the couch for a long chat with an old friend."—The New York Times Book Review "Filled with [Vonnegut's] usual contradictory mix of joy and sorrow, hope and despair, humor and gravity."—Chicago Tribune "Fans will linger on every word . . . as once again [Vonnegut] captures the complexity of the human condition with stunning calligraphic simplicity."—The Australian "Thank God, Kurt Vonnegut has broken his promise that he will never write another book. In this wondrous assemblage of mini-memoirs, we discover his family's legacy and his obstinate, unfashionable humanism."—Studs Terkel

Since 1950, when his short stories first appeared, Kurt Vonnegut has published almost 50 short stories, 13 novels, two plays, and a teleplay. He has remained one of the most important chroniclers of American life. Yet he occupies an ambiguous place in American letters. Following three interviews with Vonnegut, the 14 essays in this collection seek to chronicle his career as it moves through changing times. The essays

either focus on Vonnegut's later work or are retrospectives reevaluating aspects of his literary career. Some are on individual works, particularly later novels, but most consider the ways Vonnegut pursues a theme or technique.

"[Vonnegut] at his wildest best."—The New York Times Book Review Eliot Rosewater—drunk, volunteer fireman, and President of the fabulously rich Rosewater Foundation—is about to attempt a noble experiment with human nature . . . with a little help from writer Kilgore Trout. God Bless You, Mr. Rosewater is Kurt Vonnegut's funniest satire, an etched-in-acid portrayal of the greed, hypocrisy, and follies of the flesh we are all heir to. "A brilliantly funny satire on almost everything."—Conrad Aiken "[Vonnegut was] our finest black humorist. . . . We laugh in self-defense."—The Atlantic Monthly

"A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times Cat's Cradle is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of this planet's ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, Cat's Cradle is one of the twentieth century's most important works—and Vonnegut at his very best.

"[Vonnegut is] an unimitative and inimitable social satirist."—Harper's Magazine "Our finest black-humorist . . . We laugh in self-defense."—Atlantic Monthly

A not-quite epic science fiction adventure about a down-on-his luck galactic pilot caught in a cross-galaxy struggle for survival! Space travel just isn't what it used to be. With the invention of Quantum Teleportation, space heroes aren't needed anymore. When one particularly unlucky ex-adventurer masquerades as famous pilot and hate figure Jacques McKeown, he's sucked into an ever-deepening corporate and political intrigue. Between space pirates, adorable deadly creatures, and a missing fortune in royalties, saving the universe was never this difficult! From the creator of Mogworld and Jam! Benjamin Richard "Yahtzee" Croshaw is a British-Australian comedic writer, video game journalist, author, and video game developer. He is perhaps best known for his acerbic video game review series, Zero Punctuation, for The Escapist.

NATIONAL BESTSELLER • Foreword by Dave Eggers These previously unpublished, beautifully rendered works of fiction are a testament to Kurt Vonnegut's unique blend of observation and imagination. Here are stories of men and machines, art and artifice, and how ideals of fortune, fame, and love take curious twists in ordinary lives. An ambitious builder of roads fritters away his free time with miniature trains—until the women in his life crash his fantasy land. Trapped in a stenography pool, a young dreamer receives a call from a robber on the run, who presents her with a strange proposition. A crusty newspaperman is forced onto a committee to judge Christmas displays—a job that leads him to a suspiciously ostentatious ex-con and then a miracle. Featuring a Foreword by Dave Eggers, *While Mortals Sleep* is a poignant reflection of our world as it is and as it could be. Includes the following stories: "Jenny" "The Epizootic" "Hundred-Dollar Kisses" "Guardian of the Person" "With His Hand on the Throttle" "Girl Pool" "Ruth" "While Mortals Sleep" "Out, Brief Candle" "Tango" "Bomar" "The Man Without No Kiddleys" "Mr. Z" "\$10,000 a Year, Easy" "Money Talks" "The Humbugs" Praise for *While Mortals Sleep* "Immensely readable and thoroughly entertaining."—The Washington Post "Taut, concise . . . The stories set themselves up with neat swiftness, proceed at a clip, and shut down with equal speed, [showing Vonnegut] honing his skills in structure and satire."—Los Angeles Times "A lovely reminder of the mischievous moral voice we lost when we lost Kurt Vonnegut."—San Francisco Chronicle "These stories were all good when they were written decades ago, but many strike me as great now. Never has the voice of Kurt Vonnegut, humanist and humorist, been more relevant."—The Seattle Times "There's something distinctly timeless about Vonnegut's vision."—Minneapolis Star-Tribune

Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes, written just as he was starting to find his comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post-World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to adapt to changing technology, moral ambiguity, and unprecedented affluence. How do you plan the perfect murder? Belly up to the bar with Vonnegut's narrator and listen as a self-proclaimed "murder counselor" outlines his fool-proof program for getting rid of your enemies—and assuring yourself a guaranteed annuity income for life. *Look at the Birdie* and the thirteen other never-before-published pieces that comprise *Look at the Birdie* serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut's unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

"A rich, generous book about writing and reading and Kurt Vonnegut as writer, teacher, and friend . . . Every page brings pleasure and insight."—Gail Godwin, New York Times bestselling author Here is an entirely new side of Kurt Vonnegut, Vonnegut as a teacher of writing. Of course he's given us glimpses before, with aphorisms and short essays and articles and in his speeches. But never before has an entire book been devoted to Kurt Vonnegut the teacher. Here is pretty much everything Vonnegut ever said or wrote having to do with the writing art and craft, altogether a healing, a nourishing expedition. His former student, Suzanne McConnell, has outfitted us for the journey, and in these 37 chapters covers the waterfront of how one American writer brought himself to the pinnacle of the writing art, and we can all benefit as a result. Kurt Vonnegut was one of the few grandmasters of American literature, whose novels continue to influence new generations about the ways in which our imaginations can help us to live. Few aspects of his contribution have not been plumbed—fourteen novels, collections of his speeches, his essays, his letters, his plays—so this fresh view of him is a bonanza for writers and readers and Vonnegut fans everywhere. "Part homage, part memoir, and a 100% guide to making art with words, *Pity the Reader: On Writing with Style* is a simply mesmerizing book, and I cannot recommend it highly enough!"—Andre Dubus III, #1 New York Times bestselling author "The blend of memory, fact, keen observation, spellbinding descriptiveness and zany characters that populated Vonnegut's work is on full display here."—James McBride, National Book Award-winning author

Those who know Kurt Vonnegut as one of America's most beloved and influential writers will be surprised and delighted to discover that he was also a gifted graphic artist. This book brings together the finest examples of his funny, strange, and moving drawings in an inexpensive, beautifully produced gift volume for every Vonnegut fan. Kurt Vonnegut's daughter Nanette introduces this volume of his never before published drawings with an intimate remembrance of her father. Vonnegut always drew, and many of his novels contain sketches. *Breakfast of Champions* (1973) included many felt-tip pen drawings, and he had a show in 1983 of his drawings at New York's Margo Feiden Gallery, but really got going in the early 1990s when he became acquainted with the screenprinter Joe Petro III, who became his partner in making his colorful drawings available as silkscreens. With a touch of cubism, mixed with a Paul Klee gift for caricature, a Calder-like ability to balance color and line, and more than a touch of sixties psychedelic sensibility, Vonnegut's aesthetic is as idiosyncratic and defiant of tradition as his books. While writing came to be more onerous in his later years, making art became his joyful primary activity, and he made drawings up until his death in 2007. This volume, and a planned touring exhibition of the drawings, will introduce Vonnegut's legion of fans to an entirely new side of his irrepressible creative personality.

Here for the first time is the complete short fiction of one of the twentieth century's foremost imaginative geniuses. More than half of Vonnegut's output was short fiction, and never before has the world had occasion to wrestle with it all together. Organized thematically—"War," "Women," "Science," "Romance," "Work Ethic versus Fame and Fortune," "Behavior," "The Band Director" (those stories featuring Lincoln High's band director and nice guy George Hemholtz), and "Futuristic"—these ninety-eight stories were written from 1941 to 2007, and include those Vonnegut published in magazines and collected in *Welcome to the Monkey House*, *Bagombo Snuff Box*, and other books; here for the first time five previously unpublished stories; as well as a handful of others that were published online and read by few. During his lifetime Vonnegut published fewer than half of the stories he wrote, his agent telling him in 1958 upon the rejection of a particularly

strong story, "Save it for the collection of your works which will be published someday when you become famous. Which may take a little time." Selected and introduced by longtime Vonnegut friends and scholars Dan Wakefield and Jerome Klinkowitz, Complete Stories puts Vonnegut's great wit, humor, humanity, and artistry on full display. An extraordinary literary feast for new readers, Vonnegut fans, and scholars alike.

London's East End, 1888: When darkness falls, terror begins . . . The foggy streets of London's Whitechapel district have become a nocturnal hunting ground for Jack the Ripper, and no woman is safe. Flower girl Constance Piper is not immune to dread, but she is more preoccupied with her own strange experiences of late. Clairvoyants seem to be everywhere these days. Constance's mother has found comfort in contacting her late father in a séance. But are such powers real? And could Constance really be possessed of second sight? Following the latest grisly discovery, Constance is contacted by a high-born lady of means who fears the victim may be her missing sister. She implores Constance to use her clairvoyance to help solve the crime, which the press is calling "the Whitechapel Mystery," attributing the murder to the Ripper. As Constance becomes embroiled in intrigue far more sinister than she could have imagined, assistance comes in a startling manner that profoundly challenges her assumptions about the nature of reality. She'll need all the help she can get—because there may be more than one depraved killer out there . . .

A POPSUGAR Best Book of December 2020 An AMAZON Editors Pick December 2020 A SHE READS Best Historical Fiction Novel Winter 2021 A BUSTLE Most Anticipated Winter 2021 Read A LIBRO.FM Influencer Pick, December 2020 Inspired by true events on Korea's Jeju Island, Sumi Hahn's "entrancing [debut] novel, brimming with lyricism and magic" (Jennifer Rosner, *The Yellow Bird Sings*) explores what it means to truly love in the wake of devastation. In the aftermath of World War II, Goh Junja is a girl just coming into her own. She is the latest successful deep sea diver in a family of strong haenyeo. Confident she is a woman now, Junja urges her mother to allow her to make the Goh family's annual trip to Mt. Halla, where they trade abalone and other sea delicacies for pork. Junja, a sea village girl, has never been to the mountains, where it smells like mushrooms and earth. While there, she falls in love with a mountain boy Yang Suwol, who rescues her after a particularly harrowing journey. But when Junja returns one day later, it is just in time to see her mother take her last breath, beaten by the waves during a dive she was taking in Junja's place. Spiraling in grief, Junja sees her younger siblings sent to live with their estranged father. Everywhere she turns, Junja is haunted by the loss of her mother, from the meticulously tended herb garden that has now begun to sprout weeds, to the field where their bed sheets are beaten. She has only her grandmother and herself. But the world moves on without Junja. The political climate is perilous. Still reeling from Japan's forced withdrawal from the peninsula, Korea is forced to accommodate the rapid establishment of US troops. Junja's canny grandmother, who lived through the Japanese invasion that led to Korea's occupation understands the signs of danger all too well. When Suwol is arrested for working with and harboring communists, and the perils of post-WWII overtake her homelands, Junja must learn to navigate a tumultuous world unlike anything she's ever known.

"Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist."—*Time* Mother Night is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. "A great artist."—*Cincinnati Enquirer* "A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!"—*Commonweal*

The ultimate Vonnegut: all 14 novels plus a selection of the best of his stories in a definitive collector's boxed set. The novels of Kurt Vonnegut defined a generation and remain among the most enduringly popular and influential works of the last century. Now, for the first time, they are available in a single collector's edition, featuring authoritative annotated texts. This boxed set includes four Library of America volumes: *Novels & Stories 1950-1962* *Player Piano / The Sirens of Titan / Mother Night* *Novels & Stories 1963-1973* *Cat's Cradle / God Bless You, Mr. Rosewater / Slaughterhouse-Five / Breakfast of Champions* *Novels 1976-1985* *Slapstick / Jailbird / Deadeye Dick / Galapagos* *Novels 1987-1997* *Bluebeard / Hocus Pocus / Timequake*

From *Slapstick's* "Turkey Farm" to *Slaughterhouse-Five's* eternity in a Tralfamadorean zoo cage with Montana Wildhack, the question of the afterlife never left Kurt Vonnegut's mind. In *God Bless You, Dr. Kevorkian*, Vonnegut skips back and forth between life and the Afterlife as if the difference between them were rather slight. In thirty odd "interviews," Vonnegut trips down "the blue tunnel to the pearly gates" in the guise of a roving reporter for public radio, conducting interviews: with Salvatore Biagini, a retired construction worker who died of a heart attack while rescuing his schnauzer from a pit bull, with John Brown, still smoldering 140 years after his death by hanging, with William Shakespeare, who rubs Vonnegut the wrong way, and with socialist and labor leader Eugene Victor Debs, one of Vonnegut's personal heroes. What began as a series of ninety-second radio interludes for WNYC, New York City's public radio station, evolved into this provocative collection of musings about who and what we live for, and how much it all matters in the end. From the original portrait by his friend Jules Feiffer that graces the cover, to a final entry from Kilgore Trout, *God Bless You, Dr. Kevorkian* remains a joy.

Kurt Vonnegut's first novel *Player Piano*, published in 1952, heralded the beginning of one of the most diverting and provocative adventures in modern American fiction. Vonnegut went on to write novels that perhaps had greater formal skill and technique, but *Player Piano* is a tour de force of imaginative insight into modern life and a shrewd satire of American progress.

Wampeters, Foma & Granfalloon is a rare opportunity to experience Kurt Vonnegut speaking in his own voice about his own life, his views of the world, his writing, and the writing of others. An indignant, outrageous, witty, deeply felt collection of reviews, essays, and speeches, this is a window not only into Vonnegut's mind but also into his heart. "A book filled with madness and truth and absurdity and self-revelation . . .

[Vonnegut is] a great cosmic comedian and rattler of human skeletons, an idealist disguised as a pessimist."—*St. Louis Post-Dispatch* Includes the following essays, speeches, and works: "Science Fiction" "Brief Encounters on the Inland Waterway" "Hello, Star Vega" "Teaching the Unteachable" "Yes, We Have No Nirvanas" "Fortitude" "There's a Maniac Loose Out There" "Excelsior! We're Going to the Moon! Excelsior!" "Address to the American Physical Society" "Good Missiles, Good Manners, Good Night" "Why They Read Hesse" "Oversexed in Indianapolis" "The Mysterious Madame Blavatsky" "Biafra: A People Betrayed" "Address to Graduating Class at Bennington College, 1970" "Torture and Blubber" "Address to the National Institute of Arts and Letters, 1971" "Reflections on my Own Death" "In a Manner that Must Shame God Himself" "Thinking Unthinkable, Speaking Unspeakable" "Address at Rededication of Wheaton College Library, 1973" "Invite Rita Rait to America!" "Address to P.E.N. Conference in Stockholm, 1973" "A Political Disease" "Playboy Interview"

In the majestic halls of a crystal palace lies a secret that could destroy an entire kingdom... Bryn Aven refuses to give up on her dream of serving the kingdom she loves. It's a dream that brings her to a whole new realm...the glittering palace of the Skojare. The Skojare people need protection from the same brutal enemy that's been threatening the Kanin, and Bryn is there to help. Being half Skojare herself, it's also a chance for her to learn more about her lost heritage. Her boss Ridley Dresden is overseeing the mission, but as their undeniable attraction heats up, their relationship is about to reach a whole new level—one neither of them is prepared for. As they delve deeper into the Skojare world, they begin to unravel a long-hidden secret. The dark truth about her own beloved Kanin kingdom is about to come to light, and it'll change her place in it forever...and threaten everyone she loves.

"The master at his quirky, provocative best."—*Cosmopolitan* *Deadeye Dick* is Kurt Vonnegut's funny, chillingly satirical look at the death of innocence. Amid a true Vonnegutian host of horrors—a double murder, a fatal dose of radioactivity, a decapitation, an annihilation of a city by a neutron bomb—Rudy Waltz, aka *Deadeye Dick*, takes us along on a zany search for absolution and happiness. Here is a tale of crime and punishment that makes us rethink what we believe . . . and who we say we are. Praise for *Deadeye Dick* "A moving fable . . . Vonnegut,

sweet cynic and ugly duckling, continues to write gentle swan songs for our uncivil society.”—Playboy “A brilliantly unconventional novel . . . a must for all Vonnegut fans.”—Worcester Sunday Telegram “Hits the bull’s-eye . . . dolefully celebrates the randomness of life, treating private and public disasters with a kind of reckless whimsy. . . . You don’t read Kurt Vonnegut for meaning exactly. You read him for the sad-funny attitude of mind, the kind of weirdness that can interpret the world’s weirdness.”—USA Today “Vonnegut is beguiling as ever . . . Incredible plot constructions and inventive language continue to leap from his typewriter . . . the humor is natural and inborn; the insight usually purchased by his characters at painfully high cost. Funny how life turns out. Even funnier how Mr. Vonnegut turns life’s insanities into funny, profound sense. That takes a master’s touch. Mr. Vonnegut still has it.”—Kansas City Star “Playful and imaginative . . . On finishing the novel, the kitchen of your mind is a cleaner and more well-lighted place than it was before.”—Houston Chronicle “Endearing and enchanting . . . a wise and charming book . . . very full of life.”—Glamour

Robert Heinlein's Hugo Award-winning all-time masterpiece, the brilliant novel that grew from a cult favorite to a bestseller to a science fiction classic. Raised by Martians on Mars, Valentine Michael Smith is a human who has never seen another member of his species. Sent to Earth, he is a stranger who must learn what it is to be a man. But his own beliefs and his powers far exceed the limits of humankind, and as he teaches them about grokking and water-sharing, he also inspires a transformation that will alter Earth’s inhabitants forever...

"In 1993, Walt Disney Pictures released a movie that would change a generation...but it took a while. Hocus Pocus flopped upon release, and critics everywhere scoffed at this oddball comedy about three wacky witches back from the dead. But then something changed. Far from the forgotten relic it was destined to become, Hocus Pocus has taken its place alongside The Wizard of Oz, Harry Potter, and Home Alone--a bona fide classic that's sure to stay alive for generations to come."--Back cover.

Twelve American tourists join an art expedition that begins in the Himalayan foothills of China--dubbed the true Shangri-La and head south into the jungles of Burma. But after the mysterious death of their tour leader, the carefully laid plans fall apart, and disharmony breaks out among the pleasure-seekers as they come to discover that the Burma Road is paved with less-than-honorable intentions, questionable food, and tribal curses. And then, on Christmas morning, eleven of the travelers boat across a misty lake for a sunrise cruise and disappear. Tarkington College, a small, exclusive college in upstate New York, is turned upside down when ten thousand prisoners from the maximum security prison across Lake Mohiga break out and head for the college

In this revised edition of a volume originally published in 1989, Lawrence Broer extends his comprehensive critique of the body of writing by Kurt Vonnegut. Broer offers a broad psychoanalytic study of Vonnegut’s works from Player Piano to Hocus Pocus, taking a decisively new approach to the work of one of America’s most important, yet often misinterpreted writers. A compelling and original analysis, Sanity Plea, explores how Vonnegut incorporates his personal experiences into an art that is not defeatist, but rather creatively therapeutic and life-affirming.

Presents an offbeat look back at the 1980s that covers topics ranging from the bright side of nuclear war to feminism, couch potatoes, Yuppies, and televangelism

“[Kurt Vonnegut] has never been more satirically on-target. . . . Nothing is spared.”—People Jailbird takes us into a fractured and comic, pure Vonnegut world of high crimes and misdemeanors in government—and in the heart. This wry tale follows bumbling bureaucrat Walter F. Starbuck from Harvard to the Nixon White House to the penitentiary as Watergate’s least known co-conspirator. But the humor turns dark when Vonnegut shines his spotlight on the cold hearts and calculated greed of the mighty, giving a razor-sharp edge to an unforgettable portrait of power and politics in our times. Praise for Jailbird “[Vonnegut] is our strongest writer . . . the most stubbornly imaginative.”—John Irving “A gem . . . a mature, imaginative novel—possibly the best he has written . . . Jailbird is a guided tour de force of America. Take it!”—Playboy “A profoundly humane comedy . . . Jailbird definitely mounts up on angelic wings—in its speed, in its sparkle, and in its high-flying intent.”—Chicago Tribune Book World “Joyously inventive . . . gleams with the loony magic Vonnegut alone can achieve.”—Cosmopolitan “Vonnegut is our great apocalyptic writer, the closest thing we’ve had to a prophet since . . . Lenny Bruce.”—Chicago Sun-Times “Vonnegut at his impressive best. . . . His imaginative leaps alone . . . are worth the price of admission. . . . His far-reaching metaphysical and cultural concerns . . . are ultimately serious and worth our contemplation.”—The Washington Post

“Ranks with Vonnegut’s best and goes one step beyond . . . joyous, soaring fiction.”—The Atlanta Journal and Constitution Broad humor and bitter irony collide in this fictional autobiography of Rabo Karabekian, who, at age seventy-one, wants to be left alone on his Long Island estate with the secret he has locked inside his potato barn. But then a voluptuous young widow badgers Rabo into telling his life story—and Vonnegut in turn tells us the plain, heart-hammering truth about man’s careless fancy to create or destroy what he loves. Praise for Bluebeard “Vonnegut is at his edifying best.”—The Philadelphia Inquirer “The quicksilver mind of Vonnegut is at it again. . . . He displays all his talents—satire, irony, ridicule, slapstick, and even a shaggy dog story of epic proportions.”—The Cincinnati Post “[Kurt Vonnegut is] a voice you can trust to keep poking holes in the social fabric.”—San Francisco Chronicle “It has the qualities of classic Bosch and Slaughterhouse Vonnegut. . . . Bluebeard is uncommonly feisty.”—USA Today “Is Bluebeard good? Yes! . . . This is vintage Vonnegut—good wine from his best grapes.”—The Detroit News “A joyride . . . Vonnegut is more fascinated and puzzled than angered by the human stupidities and contradictions he discerns so keenly. So hop in his rumble seat. As you whiz along, what you observe may provide some new perspectives.”—Kansas City Star Vonnegut’s first collection of short stories, includes 12 wickedly funny stories told as only Vonnegut can.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Newsweek/The Daily Beast • The Huffington Post • Kansas City Star • Time Out New York • Kirkus Reviews This extraordinary collection of personal correspondence has all the hallmarks of Kurt Vonnegut’s fiction. Written over a sixty-year period, these letters, the vast majority of them never before published, are funny, moving, and full of the same uncanny wisdom that has endeared his work to readers worldwide. Included in this comprehensive volume: the letter a twenty-two-year-old Vonnegut wrote home immediately upon being freed from a German POW camp, recounting the ghastly firebombing of Dresden that would be the subject of his masterpiece Slaughterhouse-Five; wry dispatches from Vonnegut’s years as a struggling writer slowly finding an audience and then dealing with sudden international fame in middle age; righteously angry letters of protest to local school boards that tried to ban his work; intimate remembrances penned to high school classmates, fellow veterans, friends, and family; and letters of commiseration and encouragement to such contemporaries as Gail Godwin, Günter Grass, and Bernard Malamud. Vonnegut’s unmediated observations on science, art, and commerce prove to be just as inventive as any found in his novels—from a crackpot scheme for manufacturing “atomic” bow ties to a tongue-in-cheek proposal that publishers be allowed to trade authors like baseball players. (“Knopf, for example, might give John Updike’s contract to Simon and Schuster, and receive Joan Didion’s contract in return.”) Taken together, these letters add considerable depth to our understanding of this one-of-a-kind literary icon, in both his public and private lives. Each letter brims with the mordant humor and openhearted humanism upon which he built his legend. And virtually every page contains a quotable nugget that will make its way into the permanent Vonnegut lexicon. • On a job he had as a young man: “Hell is running an elevator

throughout eternity in a building with only six floors.” • To a relative who calls him a “great literary figure”: “I am an American fad—of a slightly higher order than the hula hoop.” • To his daughter Nanny: “Most letters from a parent contain a parent’s own lost dreams disguised as good advice.” • To Norman Mailer: “I am cuter than you are.” Sometimes biting and ironical, sometimes achingly sweet, and always alive with the unique point of view that made him the true cultural heir to Mark Twain, these letters comprise the autobiography Kurt Vonnegut never wrote. Praise for Kurt Vonnegut: Letters “Splendidly assembled . . . familiar, funny, cranky . . . chronicling [Vonnegut’s] life in real time.”—Kurt Andersen, The New York Times Book Review “[This collection is] by turns hilarious, heartbreaking and mundane. . . . Vonnegut himself is a near-perfect example of the same flawed, wonderful humanity that he loved and despaired over his entire life.”—NPR “Congenial, whimsical and often insightful missives . . . one of [Vonnegut’s] very best.”—Newsday “These letters display all the hallmarks of Vonnegut’s fiction—smart, hilarious and heartbreaking.”—The New York Times Book Review

Hocus Pocus is beloved by Halloween enthusiasts all over the world. Diving once more into the world of witches, this electrifying two-part young adult novel, released on the twenty-fifth anniversary of the 1993 film, marks a new era of Hocus Pocus. Fans will be spellbound by a fresh retelling of the original film, followed by the all-new sequel that continues the story with the next generation of Salem teens. Shortly after moving from California to Salem, Max Dennison finds himself in hot water when he accidentally releases a coven of witches from the afterlife. Max, his sister, and his new friends (human and otherwise) must find a way to stop the witches from carrying out their evil plan and remaining on Earth to torment Salem for all eternity. Twenty-five years later, Max and Allison’s seventeen-year-old daughter, Poppy, finds herself face-to-face with the Sanderson sisters in all their sinister glory. When Halloween celebrations don’t quite go as planned, it’s a race against time as Poppy and her friends fight to save her family and all of Salem from the witches’ latest death-defying scheme.

A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter “A glimpse into the mind of a writer finding his voice.”—The Washington Post “If ever I do write anything of length—good or bad—it will be written with you in mind.” Kurt Vonnegut’s eldest daughter, Edith, was cleaning out her mother’s attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they headed off to their respective colleges. And they did, through Jane’s conscientious studying and Kurt’s struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt’s deployment to Europe in 1944, where he was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple’s marriage in 1945. Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier’s life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith’s insights and family memories, Love, Kurt is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.
