My dear sister Clara, London society is so much more complicated than I could ever have known! Every night is a different ball or assembly, and a different swirl of glittering jewels and rustling gowns. Though I fear I am making social blunders left and right I am having some measure of success in my (or rather, Mother's) objective. Mother is beside herself with glee at the attentions I have been receiving from a few gentlemen she finds supremely suitable as husband material. But my dearest sister, it is so hard for me to even look at any gentleman but a certain duke, who, if I may confess, makes my heart beat so that I fear it can be seen across a ballroom. He is James Langdon, the Duke of Wentworth, and though I may sound dramatic, he makes me feel as no man ever has before. But I must push these feelings away. I sometimes hear whispers about his dark past, and he is quietly called the Dangerous Duke. Oh Clara! I am secretly overjoyed that he may love me, and at the same time terrified of his attentions. I have waited so long for my true love, and now I must resist him to protect my heart. If only I knew how to proceed... Your devoted sister, Sophia

He's controlled. Meticulous. Immaculate. No one would expect the proper Duke of Westmead to be a member of London's most illicit secret club. Least of all: his future wife. Having overcome financial ruin and redeemed his family name to become the most legendary investor in London, the Duke of Westmead needs to secure his holdings by producing an heir. Which means he must find a wife who won't discover his secret craving to spend his nights on his knees – or make demands on his long scarred-over heart. Poppy Cavendish is not that type of woman. An ambitious self-taught botanist designing the garden ballroom in which Westmead plans to woo a bride, Poppy has struggled against convention all her life to secure her hard-won independence. She wants the capital to expand her exotic nursery business – not a husband. But there is something so compelling about Westmead, with his starchy bearing and impossibly kind eyes -- that when an accidental scandal makes marriage to the duke the only means to save her nursery, Poppy worries she wants more than the title he is offering. The arrangement is meant to be just business. A greenhouse for an heir. But Poppy yearns to unravel her husband's secrets – and to tempt the duke to risk his heart. Locked in a battle with rising passion and a will matching her own, Annabelle will learn just what it takes to topple a duke.... "There is nothing quite so satisfying as seeing such a man brought to his knees by a beautiful woman with nothing to her name except an inviolable sense of her own self-worth."—NPR

A dazzling Regency romance from bestselling author Jane Ashford. Life is predictable for a Duke's first son. Or so he once thought... He was delighted that she shared this pleasure with him. And how lovely she looked, out here on the water. The wind had whipped color into her cheeks. Her sandy hair leaped and curled around her face. And her gray eyes shimmered and sparkled. Violet's beauty—for it was undoubtedly beauty—arose from animation, he realized. When she was subdued and distant, as she'd always been when he saw her before their marriage, it was hidden. A secret, like the flower she was named for, obscured by broader leaves in the forest. But now he'd discovered a different Violet—vibrant, responsive. Watching her laugh as spray spattered her sleeve, he felt extremely fortunate. His instincts had somehow led him to a prize. As eldest son of the Duke of Langford,

Stepsiblings in search of the truth about their mother's succession of beloved husbands—and their own surprising identities as eligible young nobles—are the endearing stars of this dazzling series from New York Times bestselling author Sabrina Jeffries... A past kiss with adorably bookish Miss Olivia Norley should be barely a memory for Marlowe Drake, the Duke of Thornstock. After all, there are countless debutantes for a handsome rakehell to charm beyond a young lady whose singular passion is chemistry—of the laboratory type. But Thorn has not forgotten—or forgiven—the shocking blackmail scheme sparked by that single kiss, or the damage caused to both their names. Now Thorn's half-brother, Grey, has hired the brilliant Miss Norley for her scientific expertise in solving a troubling family mystery. And the once-burned Thorn, suspicious of her true motives, vows to follow her every move... For Olivia, determining whether arsenic poisoning killed Grey's father is the pioneering experiment that could make her career—and Thorn's constant presence is merely a distraction. But someone has explosive plans to derail her search. Soon the most unexpected discovery is the caring nature of the reputed scoundrel beside her—and the electricity it ignites between them... On the morning of February 13, 1969, members of Duke University's Afro-American Society barricaded themselves inside the Allen administration building. That evening, police were summoned to clear the building, firing tear gas at students in the melee that followed. When it was over, nearly twenty people were taken to the hospital, and many more injured. In *Point of Reckoning*, Theodore D. Segal narrates the contested fight for racial justice at Duke from the enrollment of the first Black undergraduates in 1963 to the events that led to the Allen Building takeover and beyond. Segal shows that Duke's first Black students quickly recognized that the university was unwilling to acknowledge their presence or fully address its segregationist past. By exposing the tortuous dynamics that played out as racial progress stalled at Duke, Segal tells both a local and national story about the challenges that historically white colleges and universities throughout the country have faced and continue to face.
