

## Kickboxing Training Guide

With its intense action and the unbelievable skills of its athletes, kickboxing has gained worldwide popularity in a way that few international sports ever do. It requires perfect timing, incredible speed, and relentless power, and this guide details the techniques and methods needed to win. Author Pat O'Keeffe is a coach, trainer, and champion with three decades of experience, and his book includes dozens of techniques to prepare both body and mind for this dangerous and exciting sport. Helpful step-by-step illustrations demonstrate the techniques of defense; counter-attack; timing, distance, and mobility; sparring; speed and power; conditioning; and more. Perfect for the amateur kick boxer or the experienced fighter, Kick Boxing is a must-read resource written by one of the sport's top experts. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Effective martial arts training, especially for a demanding sport like Muay Thai, requires a prudent training plan. In *Muay Thai Training Techniques*, professional trainer Christoph Delp shows amateur as well as advanced fighters how to best utilize their training time, whether at home or in the gym, alone or with a partner or coach. A comprehensive guide for Muay Thai fighters as well as those utilizing Muay Thai techniques in Mixed Martial Arts (MMA), *Muay Thai Training Techniques* teaches effective exercises to improve flexibility, stamina, and strength as well as basic fighting techniques such as feints, counters, and combinations. Muay Thai champions Saiyok Pumphanmuang and Kem Sitsongpeenong are featured, demonstrating their own training methods and most effective techniques. Training is broken down into core components that any Muay Thai fighter or instructor can use to help build an individual training plan; several ready-made, detailed training plans are also included for beginners, intermediate, and advanced practitioners. Rounded out

with crucial information on nutrition, weight classes, and the importance of regeneration to effective training, Muay Thai Training Techniques will help all Muay Thai fighters to take their practice to the next level.

When it comes to physical fitness and nutrition, it's all so confusing. Which "experts" should you believe? What programs should you follow? What and when should you eat? Is weight training really necessary for getting in shape? The exhausting information overload in this area has never been more contradictory, confusing, and even dangerous. Well, this is the book that can clear up all that confusion and conflicting information! The training tips and philosophy presented here by world-renowned bodybuilder Frank Sepewill reveal everything you've ever needed to maximize your body's full potential. Stating the truth is harder to deliver than it may seem at first. Imagine the answers the truth will unlock: The truth about training techniques. The truth about nutritional information. The truth about women and training. The truth about cardio's effects. The truth's real power—indeed, its very effectiveness—lies in its sheer simplicity.

You only have one body, and your body has amazing potential. But you also only have one life—why waste more of it than you need to at the gym? Kettlebells, the swingable weights found in gyms and homes everywhere, burn up to four times the fat of other workouts. But they are often ignored or misused, causing wasted time or even injury. Dasha Libin Anderson teaches a one-two punch of kettlebells and martial arts, rolling strength training and cardio into one workout for

women that burns five hundred to one thousand calories per hour. The unparalleled kettlebell expert has spent over a decade developing the Kettlebell Kickboxing system based on science and experience and has seen amazing results for women of all fitness levels (including actresses and models) who take classes at her Manhattan studio or work out with her bestselling DVD series. Dasha introduces readers to kettlebell and martial arts techniques and teaches the science behind safe swings, squats, punches, kicks, and hundreds of innovative moves everyone can do. Organized by the body part targeted, Kettlebell Kickboxing features hundreds of step-by-step photos and workout routines for four-week fitness plans, lifelong exercise goals, and fifteen-minute high-intensity interval training. Learn everything you need to look and feel the way you always wanted: strong, confident, agile, pain-free, and sexy. A training guide for the non-professional mixed martial arts athlete, this book provides elite-level information that is easy to follow and readily implemented into a busy life schedule. It covers topics such as strength and conditioning, how to balance workouts with martial arts training, developing a training plan, nutrition, and more. This is the definitive resource for individuals preparing for the AEA Aquatic Fitness Professional Certification exam and for anyone leading water exercise classes. Every guy is looking for an edge, some way to get single women his age to notice him more than they do now. Unfortunately, most guys have absolutely no idea what kind of body automatically flips a girl's attraction switch. Nate Green does. Built for Show is the first fitness book

to address young men on the prowl. It's not just written for them; it's written by one of them. Green, who's just twenty- three years old, is already a veteran fitness professional who's been quoted in Men's Health and Maximum Fitness magazines. Green offers four twelve-week workout programs, each with a seasonal theme. The fall and winter workouts add muscle size and strength that'll show even under layers of clothing. The spring and summer workouts burn fat and chisel the showpiece muscles—creating a lean, cut, beach-ready physique. But *Built for Show* is more than just a workout book. It also provides:

- Realistic nutrition advice to feed the muscles and starve the fat without breaking the bank or spending hours in the kitchen
- Tips on dressing right, looking the part, improving your social status, and settling into your new lifestyle
- Quick ways to assess posture, with useful exercises to fix flaws and improve self- presentation, no matter the situation.

The detailed programs include over fifty exercises, illustrated with over one hundred original photos. Neither a weight-loss guide nor a body- building manual, *Built for Show* instead reveals to guys exactly what they need to build the body they – and women – want.
