WHAT OTHERS SAY ABOUT INVASION OF PRIVACY: "I am a little sad it is over but still buzzing from the superb finale. Looking forward to the next adventure." "Sutherland deftly weaves dramatic, humanly plausible police procedurals with very high-level hackery to form a novel both intricately plotted and meticulously produced." "One of the best debut novels I have read. Crime, murder, sex, friendship, twist and turns, highs and lows are abundant throughout this book." "If the producers of Homeland or 24 are looking for the next, and very relevant, topical and addictive series, look no further."

This book will help me to understand who Donald Trump is, what he really believes, where his vision for America will lead us, and where God is in all of this.

A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human.

Children of the Canyon tells the story of David, a boy growing up in L.A.'s fabled Laurel Canyon neighborhood as the 1960s counterculture is coming to an end. David's record producer father works with the reclusive former leader of a surf music band on an album that promises to elevate the legacies of both men to immortal status. His distant, peripatetic mother rides the waves of activism and feminism in and out of David's life. The elusive Topanga, named for the city's last remaining Eden, whom David meets on the beach the night of his parents' separation continues to elude his futile attempts to reconnect with her throughout the decade. Through David's eyes, we bear witness to the fallout from the California Dream's malfunction: the ruined families, failed revolutionaries, curdled musical idealism, and, ultimately, the rise of the conservatism that put the country on its present path.

From the authors of the international bestseller The Babylon Code comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency, and why the globalist elite and Deep State will stop at nothing-assassination, military coup, staged economic collapse, or worse-to overthrow him. "Trumpocalypse!" It's the media-coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III-an unprecedented nuclear apocalypse ending the world as we know it. But is the media telling us the truth? No, say internationally-recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize-nominated investigative journalist Troy Anderson. America's most insidious enemies are not hostile nations; they are elite globalists-the "Establishment" that is making the "1 percent" even richer while working- and middle-class people watch their incomes and net worth's flatline or plummet. The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception. Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical, economic and military affairs experts, faith leaders, and biblical scholars, McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions-government, education, entertainment, international banking, and even the media. Trumpocalypse explores the enigmatic prophecies and "biblical codes" involving Trump, and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end-time narrative unfolds, as many people with prophetic gifts are predicting, and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse. It further reveals why Trump and millions of "deplorables" are fighting to stop the hidden agenda of the

Establishment, and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end-times awakening that millions are praying for. Here is an invitation to join the anti-Establishment surge-what evangelist Franklin Graham calls "the Christian revolution"-and discover how to fulfill your own destiny in the run-up to the Second Coming of Jesus Christ.

Trump's Unfinished Business offers a prophetic template to change the face of politics & save the nation from moral rot & Civil War. In one book, you will find new applications of God's commands that can be used to break up the Tech Giants' monopoly, create a Digital Bill of Rights, reform Family Law, protect children, enshrine true equality, educate our youth, and deal sensibly with Climate Change. "We need pastors and preachers to read this book "Trump's Unfinished Business" and apply the Law of God correctly, and preach it again to America & the world." ALLAN PARKER President of The Justice Foundation, Lead counsel for Norma McCorvey (the "Roe" of Roe v. Wade) & Sandra Cano ("Doe" of Doe v. Bolton) "The insights of this book will provide hope for the future of America & preserve its calling as a lighthouse to the nations during our turbulent times." DR. DENNIS LINSAY CEO of Christ for the Nations "Steve Cioccolanti has nailed it with 'Trump's Unfinished Business.'... [He] is walking into the swamp with this book & showing us how to drain it!" JULIE DIEZ Paralegal "The vision contained in Steve Cioccolanti's book Trump's Unfinished Business is far-sighted, wide-reaching & convicting... Cioccolanti is offering the Body of Christ the clearest path to employing the Biblical template to unite us as a nation & avoid civil war." LORILYN ROBERTS Award-winning Author "Let me say Cioccolanti's "Trump's Unfinished Business" is truly excellent. Each chapter adds new insights... His analysis of the law is truly impressive & I particularly appreciate his proposals to improve the legal system & the broken family law court. I will be gladly passing this book around to my friends & esteemed colleagues. I highly recommend it." DR. AUGUSTO ZIMMERMANN, PhD Head of Law, Sheridan College, Perth "In this book, Steve Cioccolanti exposes what has gone wrong, and he recommends solid ideas on how to set them right.... by going back to what is taught in the Bible." RICH MARSH Ex-Navy, Career Consultant "Cioccolanti's book is clearly visionary... For too long, the Bible has been sidelined in education due to an erroneous application of the principle of 'separation of church and state.'" DR. JOHN MCELROY Director of Southern Cross Association of Churches "Steve Cioccolanti has taken up a subject which I believe is a first... His writing is very thought-provoking, creative and visionary... I would imagine the laws in this book will be very close to the ones Yeshua will set up for the world when He comes to reign... This much-needed book... has come at a time with the Republic of the United States is fighting for its life." SHIRA SORKO-RAM Pioneer of the Jewish Messianic movement in Israel since 1967 "Trump's Unfinished Business will serve as a template for all leaders whether they are in the US, Australia or Korea. I would like to see it made available to voters before major elections. I am really amazed by Steve Cioccolanti's insights into the American cultural war. His coverage of many subjects is very deep. I find the techniques that American leftists use to distort facts and the truth are also used here in South Korea... This book is a great opportunity to problem solvers to learn how God's principles work in human society." ASSOC. PROF. I-SOO JOE Handong Global University, School of Management & Economics, South Korea

Young people aren't walking away from the church—they're sprinting. According to a recent study by Ranier Research, 70 percent of youth leave church by the time they are 22 years old. Barna Group estimates that 80 percent of those reared in the church will be "disengaged" by the time they are 29 years old. Unlike earlier generations of church dropouts, these "leavers" are unlikely to seek out alternative forms of Christian community such as home churches and small groups. When they leave church, many leave the faith as well. Drawing on recent research and in-depth interviews with young leavers, Generation Ex-Christian will shine a light on this crisis and propose effective responses that go beyond slick services or edgy outreach. But it won't be easy. Christianity is regarded with suspicion by the younger generation. Those who leave the faith are often downright cynical. To make matters worse, parents generally react poorly when their children go astray. Many sink into a defensive crouch or go on the attack, delivering homespun fire-and-brimstone sermons that further distance their grown children. Others give up completely or take up the spiritual-sounding "all we can do is pray" mantra without truly exploring

creative ways to engage their children on matters of faith. Some turn to their churches for help, only to find that they frequently lack adequate resources to guide them. This is where Generation Ex-Christian will lend a hand. It will equip and inspire parents, church leaders, and everyday Christians to reawaken the prodigal's desire for God and set him or her back on the road to a dynamic faith. The heart of the book will be the raw profiles of real-world, young ex-Christians. No two leavers are identical, but upon close observation some categories emerge. The book will identify seven different kinds of leavers (the postmodern skeptic, the drifter, the neopagan, etc.) and offer practical advice for how to connect with each type. Shrewd tips will also intersperse the chapters alerting readers to opportunities for engagement, and to hidden landmines they must sidestep to effectively reach leavers.

In November of 2016, the world witnessed the impossible. Nearly every household in America was tuned in to the election feeds, and every update pointed to a loss for the Republican Party. But when the map of the states flipped red in the final hour, there were a select few who weren't surprised. They had always known Trump was going to win. He was chosen "for such a time as this." The prophecy had said so. This prophet, this reserved man of God, was retired firefighter Mark Taylor. The word given by the Holy Spirit was delivered on April 28, 2011 in the middle of the most debilitating sickness a man could ever experience. When the prophecy later fell into the hands of New York Times bestsellers Don and Mary Colbert, God used this new team of passionate individuals to lead the nation into a fervent prayer chain that would accomplish one of the most incredible miracles our country has ever seen. But Trump's victory was only the beginning... What is coming next for the most powerful nation on earth today? Mark Taylor has more to say. In THE TRUMP PROPHECIES readers will discover: \* How the Lord can and will use anyone--regardless of education, background, or health--to communicate His message to the Church of Christ \* What led to the miracle of the 2016 election, the role of "we the people" for the will of God in the future, and what the Body of Christ needs to do to keep His blessing on our nation \* How the enemy has utilized techniques of distraction to keep the Body's focus off of God and onto internal, demoralizing disputes--and how this can be overcome \* Astounding, world-altering changes in our US government Mark sees on the horizon \* The positive message of hope and encouragement that points to fresh methods of spreading the Gospel to the lost

"God, Trump, and the 2020 Election is an inside look at how the political climate is affected by spiritual warfare--an important subject for Bible-believing Christians. The satanic schemes are so brazen on key issues that the book was written to explain what's at stake. Strang believes that the intersection of faith and politics needs to be part of the national discussion about the division in our country."--Jacket.

Friede Taylor has lived a life that legends spring from. Born in Czechoslovakia during WWII, she was left to die as a child because of the deprivations of the war. A nurse took her family into her home and saved Friede's life by giving her transfusions of her own blood. A member of the dreaded Waffen-SS and a prisoner of war, Friede's father took his own life after the war, having never told her he loved her. She married a serviceman and moved to Georgia at 19. Following the suicide of her oldest son, she had an "open-heaven" experience that assured her that God would provide for and protect her. She was widowed after 30 years. God continued to move in Friede's life, eventually leading her to marry Jack Taylor after a brief courtship. She now travels and ministers with her husband around the world. This is Friede's first book and it chronicles a life of purpose protected by God. Read Friede's story to be inspired to thrive, not just survive. God has a plan for you. Her testimony declares that a life lived by faith always overcomes!" Friede Taylor is a force to be reckoned with! If you have had the privilege to know her, you know what I mean. Once you read her story, you will know why. Sounding more like a Hollywood screenplay, this book shares the candid and personal account of how "one solitary woman" overcame intense rejection and horrendous loss only to survive and thrive, bathed in the glory of the love of God. This is the stuff heroes are made of. Set in one of the most tumultuous places on earth in one of the most horrific times in history, this book is the authentic account of a woman, wife, and daughter who has been watched over by her heavenly Father since she was born. You will be amazed and encouraged as you read how the Father can and will do the same for you." Tim P. Taylor, Author, Publisher, and proud stepson

"If you are longing to gain insights into the prophetic word, then this book will lead you on the pathway to that discovery." --Paul Crouch, President, Trinity Broadcast Network

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

"Discusses how, for two hundred years, some members of the Catholic Church have worked to destroy the Church"--

This work is a compilation of 25 thoughts that could direct your path towards peace, thoughtfulness and action. The thoughts in this space came to me as I witnessed truths of life unfolding for me through my own experiences. It is because of my desire to find tools for purpose in every event of my life that I find peace in both letting go and embracing that which is necessary. My hope is that: \* You will find complete freedom and blessings in loss as it was intended for your destiny. \* You will learn to look at your mistakes as natural lessons in your life rather than failures. \* You will understand how your burdens are really the fuel for your motivation towards perfection. \* You will realize that the thorns in your flesh can literally be the very tools you need to complete your assignment. \* You will see all is not lost and what you thought was tragic is just another stepping stone towards your true fulfillment. \* At the end of your spiritual literary journey with me, you will realize that you can be used AS IS for the fulfillment of your destiny.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Where the spiritual world intersects with the political world... This book is about medicine; the antidote and prescription for staying the plague of ignorance overcoming the US and the world. It is about the restoration, if not for the soul of a nation, at least the restored mind of individuals. It is a gathering of missing pieces to a puzzle extracted from the annals of time. It is a crystal clear picture painted from the heavens, an eye salve for healing smoke-filled eyes and the restoration of faraway vision. As the sands of time dwindle, history has played out exposing hidden pieces to a great prophetic puzzle. The fog of religious doctrine long shrouding short-sighted minds has lifted. Men can see clearly now, as long standing prophetic theories are exposed by the purifying light of the real facts. New York City is the story world of the great intrigue and holds the clues to a remarkable story. Why? Because NYC is the Citadel of world commerce, the home state of the Trump-eter, but most importantly it is the residence of the Great Beast; the United Nations, the nerve center for the globalization of the planet earth. All the pieces fit together tightly, in high definition, in the DEEP STATE PROPHECY AND THE LAST TRUMP. You stand on a battlefield, surrounded by an enemy that you've been told doesn't exist. This is a classic example of a PSYOP--a psychological operation, a mission to change what you believe by feeding you information that is inaccurate, incomplete, or an outright lie. This PSYOP is one of many by entities who've been at war with God since the Garden of Eden. The Bible calls them gods. God Himself calls them gods. But we've been taught that they're imaginary, so we stumble around the battlefield completely unprepared to defend ourselves and the ones we love. In The Great Inception, you will learn:\* War between God and the gods is real\* Importance of mountains--and the holy mountain where the final battle will be fought\* The Tower of Babel was not in Babylon and the real reason God stopped it\* Where God led His heavenly army to battle the chief god of the Canaanites\* True identities of Satan and Apollyon, king of the demons in the abyss\* Mystery behind what God meant when He told Abraham about "the sin of the Amorites"\* The Red Sea crossing was a literal battle between God and Ba'al (and why a Canaanite god was in Egypt in the first place)\* The startling connections between the Titans of Greek mythology, the Nephilim of Genesis 6, and the people who fought Israel from the time of Moses to the present day\* Where Jesus did battle with the rebel gods\* How the moon-god of ancient Babylon is still influencing world events today\* Where Armageddon will be fought (it's not where you think)\* A possible end-times scenario that includes the most diabolical double-cross in historyCombining research from scholars of ancient history, languages, archaeology, and Bible prophecy, Derek P. Gilbert shows that the Bible is anything but a boring list of thou-shalt-nots; it's an epic tale of a war between God and the rebel gods who want to usurp His throne--before He can restore humanity to His holy mountain and the place we once had in the divine council.

"Where are we? Kady asked, as they turned to look at the entire room. They saw the kitchen had a wood-burning stove, no sink faucet, and no refrigerator." "I don't know, Allie said, "but look out this window, across the yard and the garden. Isn't that the cotton patch where Nanna said she had to cross the narrow dirt road to help pick cotton?" The sisters, Allie, Kady, Lindey, and their cousin, Taylor, have been transported into their great grandmother's world when she is five and then again when she is seven. During their second visit, Taylor's little brother, Lance, shows up, surprising everyone, except Minnie, who has expected him and is so pleased he has come with them. This fictional story is based on contemporary children, who are real, and the historical, real-life happenings of the Tucker family in the 1920's told by Jewel Tucker Phillips.

DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

The world is uneasy with the United States' election of Donald Trump as its forty-fifth president. One could not help but marvel at his ascendancy to the presidency after publicly breaking every norm and social mores that polite society holds dear. The name "Donald" means world ruler, and no he is not the antichrist, but he is a man of destiny. Open a King James Bible and read Daniel chapter 8 with a dictionary and you cannot help but see that he is the prophesied king of the west who "at the time of the end" will fulfill the prophecy in making his nation "very great." (Daniel 8:9) Televangelists are failing to inform their audiences of this prophecy that once served to predict the rise of Alexander the Great, as a mighty western Grecian king, who would conquer the Mideast; that no one could withstand putting Europe on the map as a force to be reckoned with. The prophecy states of itself that it will again serve "at the time of the end" to identify a king of the west with the disposition of a "he goat" that no nation will be able to withstand as he makes his nation "very great" prior to and unthinkable event that will occur that cause four nations to vie as superpowers in the "in the latter times of their kingdom" of whom one will arise that Daniel identifies as "the little horn" known to Christians as antichrist (Daniel 8:9). The prophet Daniel famous for interpreting "the handwriting on the wall" in Babylon called Iraq today is the same Daniel of the lion's den who wrote of a prophetic vision he for an "appointed time" - "the time of the end." He had this vision in front of a river in Iraq.

His dual purposed vision points out that in the end times a "strong" leader of the west, whom he identifies as "king" with the character of a Billy goat will be known for his stubborn personality. The prophet wrote that this king of the west calling him in parable a "he goat" who will be moved with "choler." Webster's defines choler as "a ready disposition to irritation. 2) Irascible marked by a hot temper and easily provoked to anger." Oxford dictionary defines being moved with "choler" as "a peevish temperament easily provoked to anger." Daniel forecast that "at the time of the end" this king of the west will "be moved with choler" as his ire is stirred against Persia, called Iran since 1936 (Daniel 8:5). The first portion of Daniel 8 is in parable form describing the western leader launching an air attack as a "he goat" whose "feet touched not the ground" as it tackles a "ram having two horns." Later, in the chapter describing, Daniel's parable reveals that the "two horns" as the kings of Media and Persia/Iran. Daniel prophesied that "at the time of the end" a king of the west will trample the leaders of Iraq and Iran into the dust. On September 11, 2001, a king of the west was caught flat-footed when he was reading a children's book "My Pet Goat" to school kids in Florida, when his nation was air attacked. Later, this western leader, President George W. Bush under his motto "Stay the course" initiated an unprovoked attack on Iraq in a war called "Iraqi Freedom" leading to its dictator (i.e. king according to Daniel) Saddam Hussein being toppled in death in 2003. This was the first stage of Daniel's prophecy. Presently, in 2017, this war still endures, because Daniel predicted that the West's attack near the territory of Media conquered by Alexander must also topple Persia's\Iran's leader. However, when this "he goat" leader from the west defeats Persia (Iran), Daniel writes that his nation will become "very great" after this king of the west destroys this second king being Iran's leader (Daniel 8:8). Now, God has positioned this man named Donald, meaning "world ruler" Trump as "the king of the west" in these end times and has established him with a goat's stubbornness that has served him well in ascending to the office of president of the United States under the motto "Make America Great Again".

The Trump Prophecies The Astonishing True Story of the Man Who Saw Tomorrow... and What He Says Is Coming Next Defender

\*Discusses some of the legends and controversies surrounding Bowie's life, including the origins of the Bowie knife and Bowie's fate at the Alamo. \*Includes pictures of Bowie and other important people and places in his life. \*Includes a Bibliography for further reading. "I'll wage they found no bullets in his back." - Jim Bowie's mother after hearing of his death at the Alamo. A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Jim Bowie is one of 19th century America's most famous names, even if what's known about the man is more legend than fact. Like Daniel Boone and Davy Crockett, Bowie has come to represent the pioneering spirit of the frontier, along with the masculinity, machismo and swagger that earned him a reputation for fighting. And like any good legend, he is perhaps best remembered for his death at the Alamo than for any aspect of his life. Bowie's death and the defenders' defeat at the Alamo did not have a decisive impact on Texas' War for Independence, but it became a poignant rallying cry in the immediate aftermath of the battle, and to this day Americans associate it with patriotism, bravery and determination. "Remember the Alamo" is still a widely used part of the English lexicon today, and the Alamo is a cherished piece of Americana. Much of Bowie's participation in the Alamo is still controversial, and fittingly he was known across America before that for another controversy. In what became known as the notorious Sandbar Fight of 1827, a duel between two men turned into a large fight that included Bowie, who was shot and stabbed during the melee but still managed to stab to death the sheriff of Rapides Parish in Louisiana with a large knife that has since become universally known as the Bowie knife. Between that fight and his death, Bowie became one of the Western frontier's most celebrated folk heroes. American Legends: The Life of Jim Bowie chronicles the life, myths and legends of the frontier folk hero, examining the known and unknown in an attempt to separate fact from fiction. Along with pictures of important people and places, you will learn about Bowie like you never have before, in no time at all.

These poems are a snapshot of twenty-five years of poetry in the making. My words have given form to a living, breathing diary of one man's life. Come take my hand and travel with me through moments of disparity, passion, and joy in my first collection of poetry titled In Perpetuity. Like a beautiful painting left behind in a museum; I give you my words. Forever leaving you, a piece of me.

God's word to Noah was to prepare NOW for a worldwide flood. God's word to Joseph was to prepare Pharaoh and Egypt NOW for seven years of famine. God's word to Jeremiah was to prepare the Jews NOW for seventy years of exile into Babylon. The key word in these historical examples was NOW! What does God's Word say for us to prepare for NOW? What are the tough choices we need to make? The NOW Prophecies book identifies the biblical prophecies that were written centuries ago for THIS GENERATION! These ancient inscriptions predict powerful events that will profoundly affect everyone. Find out how to get ready NOW for what to expect in the near future! Standing in absolute opposition to each other are two distinct groups. One side, who proclaim that he can do nothing right. The other side, who believe he has been particularly selected by God, with a host of unusual skills, for just such a time as this. Both can not be right! And so, a political, moral and spiritual battle is raging in America and around the world about President Donald J. Trump. Quite unknown by most of the general public is the fact that Christian prophets have been claiming for over a decade that Donald Trump is the chosen one, that he is God's man for the White House for this particular hour. In this book, God's Man in the White House, Professor James A. Beverley documents the hundreds of prophecies about Donald Trump that started over 10 years ago, and provides the political and religious context for the ongoing prophecies and controversies about the 45th president. Here is the most complete collection of over 500 prophecies and statements made by more than 100 prophets and top Christian leaders, including: Kim

Clement, Mark Taylor, Lance Wallnau, Lana Vawser, Lou Engle, Jeremiah Johnson, Michael Brown, Frank Amedia, Franklin Graham, Jerry Falwell, Jr., Paula White, Stephen Strang, Robert Jeffress, Rodney Howard-Browne, Jim Garlow, and James Dobson. Whatever your view- you will benefit greatly from this collection. From Christ to Antichrist, this is the astonishing true story of the Jews. Yesterday, they produced such biblical heroes as Abraham, Moses, David and the Apostles. Even the magnificent Jesus Christ came in glory. But we know, too, of the Jews in the book of Amos, who brutally sacrificed their sons and daughters to Satans Baal. And who can fail to remember the depraved Jews, full of hate, who cried out to Pilate, "Crucify Him!"
