

## **Mcsa Mcse Self Paced Training Kit Exam 70 290 Managing And Maintaining A Microsoft Windows Server 2003 Environment**

Announcing an all-new MCSA/MCSE Training Kit designed to help maximize your performance on Exam 70-299, one of two core exams for the MCSE: Security specialization and an elective for MCSA and MCSE. This kit packs the tools and features exam candidates want most—including in-depth, self-paced training based on exam content; exam tips from an expert, exam-certified author; and a robust testing suite. It also provides real-world scenarios, case study examples, and troubleshooting labs for the skills and expertise you can apply to the job. Focusing on implementing and administering network security in a Windows Server 2003 environment, the official study guide covers implementing, managing, and troubleshooting security policies, patch management infrastructure, security features for network communications, and planning, configuring, and troubleshooting authentication, authorization, and PKI. Ace your exam preparation by working at your own pace through the lessons, hands-on exercises, and practice tests. The flexible, best-of-class testing suite features a test engine on CD with 325 practice questions. Choose timed or untimed testing mode, generate random tests or focus on discrete objectives or chapters, and get detailed explanations for right and wrong answers—including a customized learning path to enhance further study. You also get a 180-day evaluation version of Windows Server 2003 software—making this kit an exceptional value and a great career investment. A Note Regarding the CD or DVD The print version of this book ships with a CD or DVD. For those customers purchasing one of the digital formats in which this book is available, we are pleased to offer the CD/DVD content as a free download via O'Reilly Media's Digital Distribution services. To download this content, please visit O'Reilly's web site, search for the title of this book to find its catalog page, and click on the link below the cover image (Examples, Companion Content, or Practice Files). Note that while we provide as much of the media content as we are able via free download, we are sometimes limited by licensing restrictions. Please direct any questions or concerns to [booktech@oreilly.com](mailto:booktech@oreilly.com).

Ace your preparation for the skills measured by MCP Exam 70-291—and on the job—with this official Microsoft study guide.
