This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

A new collection of delightfully macabre tales from a master of horror manga. An old wooden mansion that turns on its inhabitants. A dissection class with a most unusual subject. A funeral where the dead are definitely not laid to rest. Ranging from the terrifying to the comedic, from the erotic to the loathsome, these stories showcase Junji Ito's long-awaited return to the world of horror. -- VIZ Media [Menage Amour: Erotic Cowboy Menage a Quatre Romance, M/F/M/M, interracial, spanking] Stranded for more years than she'd like in Oak Creek, Wyoming, twenty-two-year-old Alexa Grey is a virgin with three problems. Out of the blue, the Kincaid brothers show up on her doorstep requesting she move onto their ranch for unlimited access to her body. Lexie is stunned, angered, and intrigued by the three cowboys who threaten to overtake her emotions. Wealthy cattle ranchers Logan, Connor, and Owen have decided the only way to prevent a rift between them is to share the one woman they've each fallen for. Putting into motion their plan to have the fiery beauty belong to them, they invite Lexie for a week on the ranch. With her unbridled curiosity for sex, the only question is just what will it take to convince her to stay and trust them not to break her heart? \*\* A Siren Erotic Romance

Hotel Gwales is the eagerly anticipated new collection from award winning poet Nigel Jenkins. It is as diverse as it is rousing, featuring some eighty poems varying in length from a three-line Haiku to an extended meditation of nearly 400 lines. Welsh themes and references, ancient and modern, are interspersed with works of an undeniably international flavour to bring together this exceptional collection. From a poem commemorating the execution of a man known as the Welsh 'Braveheart' to an elegy for a Welsh bus driver, Hotel Gwales truly has something for everyone. Hotel Gwales offers Nigel Jenkins's distinctive voice at its best in his first collection of poetry in almost four years. Nigel is well known both in Wales and internationally and is a frequent performer of his work. He has previously undertaken reading tours of countries including the USA and Switzerland. His trademark experimentation with form and ability to engage with his subject is at its finest.

Brothers Francis and Johnny Billington take issue with history's account of their troublemaking ways aboard the Mayflower and in the New World, as they tell their side of the story to Standish Brewster, professor of Pilgrimage at Plymouth University.

The War & Peace of golf. A quaint old classic from 1946, with an intro by the Duke of Windsor. It's good advice, and seriously, this game has hardly changed a whit in 50 years!

The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. *Stand Firm: Apologetics and the Brilliance of the Gospel* argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

This collection brings together some of the most influential sociologists of law to confront the challenges of current transnational constitutionalism. It shows the constitution appearing in a new light: no longer as an essential factor of unity and stabilisation but as a potential defence of pluralism and innovation. The first part of the book is devoted to the analysis of the concept of constitution, highlighting the elements that can contribute from a socio-legal perspective, to clarifying the principle meanings attributed to the constitution. The study goes on to analyse some concrete aspects of the functioning of constitutions in contemporary society. In applying Luhmann's General Systems Theory to a comparative analysis of the concept of constitution, the work contributes to a better understanding of this traditional concept in both its institutionalised and functional aspects. Defining the constitution's contents and functions both at the conceptual level and by taking empirical issues of particular comparative interest into account, this study will be of importance to scholars and students of sociology of law, sociology of politics and comparative public law.

Three teenage boys, the sole survivors of a shipwreck, find themselves marooned on a deserted island in the South Pacific. With little more than a telescope and a broken knife, the youths must find food and shelter and learn to survive. But though the coral island is a tropical paradise, full of natural beauty and exotic fruits and wildlife, dangers and adventures abound: sharks, pirates, and even bloodthirsty cannibals! Scottish-born R.M. Ballantyne (1825-1894) wrote more than ninety books for young people during the Victorian era, the most famous of which is *The Coral Island* (1857), a tale whose popularity has proved so enduring that it has never been out of print. A thrilling story in the tradition of *Robinson Crusoe* and a key influence on later classics such as Robert Louis Stevenson's *Treasure Island* and William Golding's *Lord of the Flies*, *The Coral Island* is presented here in a new scholarly edition that includes the unabridged text of the first British edition, a new introduction and notes by Ralph Crane and Lisa Fletcher, and the original illustrations by the author.

In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

Brothers Adam, Ethan, and Ryan, having decided to share one special woman as a wife and lover, find Holly lying in the snow just yards from their house and know she is the woman they have been looking for, but Holly is already running from a husband and it is going to take a lot of convincing for her to agree to their plans.

In "One Day, Something Happens: Paintings of People," the celebrated writer, art critic and coeditor of "Frieze" magazine, Jennifer Higgie, illuminates her fascination for the figure in modern British painting through the works of artists as diverse as David Hockney, Lynette Yiadom-Boakye, Paula Rego and Peter Blake. Teasing out common themes, from representations of joy and loneliness to masks and the carnivalesque, this highly illustrated publication offers a very personal journey through contemporary figurative art. Among the artists featured are Eileen Agar, Michael Andrews, Liz Arnold, Walter Bayes, Peter Blake, Glenn Brown, Jeffrey Camp, Steven Claydon, Prunella Clough, Robert Colquhoun, Kate Davis, Milena Dragicevic, Malcolm Drummond, Lucian Freud, Michael Fullerton, Rodney Gladwell, Alasdair Gray, Roy Grayson, Richard Hamilton, Georgia Hayes, David Hockney, Donna Huddleston, Jock McFadyen, David Noonan, Paula Rego, Ceri Richards, William Roberts, Bob Robinson, Walter Sickert, Euan Uglow and Lynette Yiadom-Boakye.

The deeply personal story of Odie Hawkins's journey, from "the poorest of the poor" childhood in Chicago to Hollywood screenwriter—and the people who deeply mattered. A tough, touching autobiography.

For every woman who has ever dreamed of starting over, or being a better mother, or just knitting a really nice scarf . . . When her husband dies in a car crash--not long after announcing he wants a divorce--Jo Mackenzie packs up her two rowdy boys and moves from London to a dilapidated villa in her seaside hometown. There, she takes over her beloved Gran's knitting shop--a quaint but out-of-date store in desperate need of a facelift. After a rough beginning, Jo soon finds comfort in a "Stitch and Bitch" group; a collection of quirky, lively women who share their stories, and their addiction to cake, with warmth and humor. As Jo starts to get the hang of single-parent life in a small town, she relies on her knitting group for support. The women meet every week at the shop on Beach Street and trade gossip and advice as freely as they do a new stitch. But when a new man enters Jo's life, and an A-list actress moves into the local mansion, the knitting club has even more trouble confining the conversation to knit one, purl two. The Beach Street Knitting Society and Yarn Club is an uplifting, winning tale about the healing power of friendship and new

beginnings. It's a charming novel that will delight all passionate knitters--and win over befuddled, would-be knitters, too.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
