When Angie gets a paid summer internship at prestigious Harlow Pharmaceuticals, she is thrilled...until she finds out her first project is to personally test a milk-inducing serum! Even worse, she has to present the success of the serum to Harlow Pharmaceuticals' investors, two men who really want a closeup and hands-on demonstration. Will Angie allow herself to be used as a human cow for two eager businessmen? This 6200 word short story contains explicit sexual content including milking, suckling, lots of hot milky sex, and two eager men making a woman into their personal human cow! This story is for adults only. Excerpt: "Lock the door, Sam," Mr. Calvin went on. "We don't want to be disturbed." Angie saw the gaze of the younger man on her chest when he walked by and got the impression there was more than business investing on his mind. It unnerved her, but she said nothing. "I know this is probably embarrassing," Mr. Calvin said when the door was locked. "But Dr. Powell indicated you would show us the effects of the serum." Angie let out a slow breath as she contemplated what she was being asked. She wanted things over as quickly as possible, however, to get back to the laboratory and decided to get it done. "Sure," she agreed. She watched Sam move to stand beside his boss and her hands trembled as she took off her coat then unbuttoned her blouse to remove it. The gazes of the two men fixed on her as she slowly unwrapped the scarf to expose her engorged breasts and she couldn't bring herself to look at them. "That is impressive," Mr. Calvin said and stepped forward. Something in the tone of his voice made Angie lift her gaze from the floor and she saw both men advancing. Her apprehension flared, but she remained standing where she was. "Does it hurt?" Sam asked. "It's a bit sore," Angie admitted. "But I think it's because they're so full." "What does it taste like?" Mr. Calvin asked. The question caught Angie off guard and her mouth flopped open. It was something she hadn't considered.

I was humiliated. I laid my heart out and confessed everything to him only to have him turn his back on me. I was going to teach him a lesson. I was going to show him what humiliation truly was.
