Thomas "Tor" de Wolfe has his hands full with battling women and battling enemies as he secures a border castle for Edward I. Chaos is the name of the game! Tor married, and lost, his wife at a young age. Because his wife was an orphan, he inherited her two sisters when they wed and when she died, they became his responsibility. Tor is big and handsome, but lives too much of a provincial life. She wants big cities, excitement, money, and no baggage of a dead wife. Isalyn's father, however, feels

differently - and Isalyn finds herself betrothed to the gentle de Wolfe giant. The spinsters have a new target. Let the battles begin! Enter a world of medieval mayhem, adventure, but most of all, of an overwhelming passion that soon consumes both Tor and Isalyn. In Mordin On Time, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely: which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). Mordin On Time enables the reader to construct their own speed ratings wherever they live.
