The course that gets students talking - now available in American English.

Yujin Nagasawa presents a new, stronger version of perfect being theism, the conception of God as the greatest possible being. Although perfect being theism is the most common form of monotheism in the Judeo-Christian-Islamic tradition its truth has been disputed by philosophers and theologians for centuries. Nagasawa proposes a new, game-changing defence of perfect being theism by developing what he calls the 'maximal concept of God'. Perfect being theists typically maintain that God is an omniscient, omnipotent, and omnibenevolent being; according to Nagasawa, God should be understood rather as a being that has the maximal consistent set of knowledge, power, and benevolence. Nagasawa argues that once we accept the maximal concept we can establish perfect being theism on two grounds. First, we can refute nearly all existing arguments against perfect being theism simultaneously. Second, we can construct a novel, strengthened version of the modal ontological argument for perfect being theism. Nagasawa concludes that the maximal concept grants us a unified defence of perfect being theism that is highly effective and economical.

English File Third Edition Intermediate Plus is suitable for CEFR level B1+. Intermediate Plus is an optional level, specifically designed for students who have completed an Intermediate B1 course but are not yet ready for an Upper-Intermediate B2. Spotlight on Writing offers teachers a wide variety of topics and activities to stimulate, engage, challenge, entertain and extend all pupils' writing skills. This extremely practical resource provides busy teachers and teaching assistants with a collection of worksheets that can be used as instant, educationally appropriate learning activities written specifically with the inclusive classroom in mind. The wide variety of exercises encourages pupils to think about writing and to develop skills in writing facts and information, creative writing and editing, whilst building confidence and motivation. Teachers can use this book to develop a flexible inclusive approach, comprising individualised materials and opportunities for extended practice. All the books in this series: Promote effective intervention and inclusion strategies for teachers and teaching assistants Provide materials that are solidly grounded in an understanding of how children learn and the particular difficulties of children with special needs. Stimulate discussion and interaction Can be used as part of an individual or small group learning programme for a child with special needs Provide 'whole class' materials that can also engage older children or those with a higher level of achievement Offer teachers quick, fun activities that never require additional resources, special materials or preparation. Spotlight on Writing is an essential tool for any teacher striving to offer every pupil opportunities to maximise their own potential and develop strong writing skills.

In this book, 34 renowned philosophical practitioners from 20 different countries present a variety of dialogue methods for philosophical practice, which have never before been published in such a compact and compiled form. By having Socrates and his method of maieutics (the art of midwifery of the soul, as he called it) as one of its main sources of inspiration, the book offers different methodological approaches in order to prompt people to wonder, to reflect, to change perspective, and to think differently; in short, to make people philosophize about life and the way they live it. (Series: Report of the Global Ethic Initiative Austria / Schriftenreihe der Initiative Weltethos Osterreich - Vol. 9) [Subject: Philosophy]

In a wondrous world of riddles and hidden treasure, bumbling Jack Hare is on a race against time to deliver a message of love from the Moon to the Sun. Far, far away in a world just like ours, a mother cheers her son Joe with the tale of Jack Hare's adventure. But when Jack's mission goes topsy-turvy, Joe and his mum must come to the rescue, and the line between the two worlds becomes blurred forever. Bringing to life Kit Williams' iconic picture book, Masquerade stars a talking fish, a tone-deaf barbershop quartet, a gassy pig, a precious jewel and a few mere mortals. It's a magical adventure that is, at its heart, about the love between a parent and a child.

Test and Assessment CD-ROM Full teaching notes Photocopiable Grammar, Communicative, Vocabulary, and Song activities Photocopiable Revision activities Extra Support, Extra Challenge, and Extra Ideas for every lesson

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: *The Phonology of English as an International Language*). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

100% new. New Practical English video, featuring authentic interviews with real people. Shorter syllabus for Beginner-level students.

'Speakout' is a 6-level general English course for adults developed in association with the BBC; bridging the gap between the classroom and the real world helping students express themselves in English.

The highly popular teacher's site has extra lesson ideas and resources for you to download.

"Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most useful work." Bierce's groundbreaking *Devil's Dictionary* had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical *The San Francisco Illustrated Wasp*. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce's collection get published by Doubleday, under the name *The Cynic's Word Book*—the publisher not wanting to use the word "Devil" in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In 1911 the *Devil's Dictionary* as we know it was published in complete form as part of Bierce's collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-only "Demon's Dictionary" column, including Bierce's classic definition of A: "the first letter in every properly constructed alphabet." Bierce enjoyed "quoting" his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface—"jape" of course having the definition: "a practical joke." This book is a product of its time and must be approached as such. Many of the definitions hold up well today, but some might be considered less palatable by modern readers. Regardless, the book's humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
