This book was written to give test takers the opportunity of mock test before the exams. It is an opportunity to test your knowledge and preparedness for the exam. The book is divided into eight chapters, each chapter consists of 50 questions dealing with a unique test section. i.e. Pre-trip inspection test questions General knowledge test questions Air brake test questions Combination vehicle test questions Double and triple vehicle test questions HAZMAT test questions Tank vehicles test questions Passengers and school bus test questions. The chapters are further subdivided into sections of ten questions each. Test takers are expected to answer the questions in each section, at the end of the section look up your answers at the base of the section to see how many answers you got wrong or right. Repeat the same procedure for other sections till you are done with the 400 questions in this book.

NCE Practice Questions are the simplest way to prepare for the NCE test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCE Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our NCE Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand. Passing the Georgia driver's license test can be easier than you ever imagined when you use this handbook or manual which is a compendium of road and traffic signs, to prepare.

Experience has shown that over 70% of the test questions border around road and traffic signs which have been systematically organized to adequately cover all-road/traffic signs. Using this all-in-one road and traffic sign handbook would certainly be very helpful to all test-takers and other road users and Instructors. The more you take these practice tests, the more you get familiar with the answers. For a successful test, I strongly advise you to get very familiar with each sign. This is made possible as you ensure to you flip through the pages of this manual as many times as you can so as to hit a consistent score of up to 85% and above correct answers each time you take the practice test. This approach would help you get very conversant with

the signs which automatically put you on track to securing a mind-blowing score in the real DMV test. This book contains skillfully formulated questions and answers on road and traffic signs. You will be amazed to find the questions in this book to be really very similar to the actual test questions. And as you prepare using these practice questions and answers as opposed to reading the DMV driver's handbook which has shown to be really time-consuming, you will learn basic driving skills, road signs, and traffic signals with their meanings. This book will among other things teach you how to answer the trick questions which always appear in the DMV test. As I have guided many test-takers towards achieving success in their DMV exams, this manual was put together to give a helping hand to many more people.
