Financial freedom brings peace of mind, and no one knows that better than Terry Records who as a single mom turned a \$5K inheritance into \$6.5MM through real estate investing. She's now taken what she's learned and shared her life story and wealth-growing strategies in her first book. "Millionaire Mom: \$5K to \$6.5MM Real Estate Investing (You Can, Too!)" is an easy-to-follow personal story of financial freedom "how to" that can be applied by anyone, and especially for women, even if you're over 50 and trying to figure out how to retire. Terry speaks from personal experience on how she started with nothing and with no real knowledge about real estate investing and through trial and error grew her bank account from \$5K to \$6.5MM in just about ten years. She believes that every one of us - especially women - should take control of our finances AND that we CAN with a little help from someone who's been there and done it! Sharing her own lessons on growing financial resources and how she battled self-doubt and how she had to self-educate has become an inspirational tool for anyone wanting to build wealth in real estate and by investing wisely to grow income and live in abundance. Learning to care for herself, her family, and her finances has been key to building her real estate coaching business and helping others do the same. Having built her reputation on truth, integrity and practicality, Terry's

authenticity shines throughout her book and carries through to her online DIY real estate investing courses. Terry's mission is to empower others with the real estate investing tools and financial knowledge needed to grow wealth and gain financial freedom, no matter what budget one has to start with. In her first book - Millionaire Mom: \$5K to \$6.5MM Real Estate Investing (You Can, Too!) - Terry presents her step-by-step plan that worked for her and for so many of her clients, designed to get you started on your own path to financial security. Terry's lessons show you how to: Start small (especially when you have no choice) Pay down debt and shorten time in doing so Succeed with small investments that grow Build a future for yourself and for others. Investing and building a fortune isn't something that happens overnight, but Terry offers in her book ways to get started, to get confident, and to gain financial freedom, even if you never thought it could be possible for you. Millionaire Mom shares insights that are most meaningful to women -- whether they be single, married, business executives, stay-at-home moms, grandmas, retired women, or women who are hoping to retire. Terry helps anyone who wants to learn her investing secrets, apply them, and experience financial abundance and serenity as a result. So what are you waiting for? How Successful People Win is a serious self-help book using as its central metaphor the life of the cowboy and his behavior as he leaves his bunkhouse. Based upon a lifetime of observation of the successful and how they got that way, Ben Stein suggests that you imitate the determination, inner mobility, activity, flexibility - and the refusal to indulge in self-pity - of the cowboy in order to get what you want out of life. The idea is that if you never indulge in making excuses, refuse to let other peoples hang ups get in your way, and move deliberately toward clearly thought-out goals, you will get where you want to go. Just as the cowboy refuses to allow himself to get sidetracked by trivia, so can you refuse to allow lifes inevitable challenges and distractions mar your own success and happiness. The choice is yours.

Tristan Wilder, self-made millionaire and devastatingly handsome CEO of Wilder-Nation is on the verge of a very lucrative buyout. With tough negotiations ahead, he's armed with his acquisition pitch, ready to launch the deal of a lifetime. There's just one glitch. The last thing he expects is to fall for the hot business owner he's trying to sway. Dylan Reeves, computer science engineer and founder of the very successful social media site, Secret, is faced with a life-

altering decision. A devoted family man with three kids and a wife, Dylan has been living a secret for years. Fiercely loyal to his convictions, his boundaries blur after meeting the striking owner of the corporation interested in acquiring his company. For the first time in his life, reckless desire consumes him when the gorgeous computer mogul makes an offer he can't refuse.

a call to action, pushing you to wake up, stand up, and transform yourself into a powerful expression of your passion, your wealth, and your desire to make a difference. It is an invitation to become a true Awakened Millionaire, starting today. While most consider money and spirituality a blasphemous duo, Dr. Vitale shatters these social norms and shows you the true nature of money empowered with soulful purpose. At turns inspirational, motivational, and conversational, this page-turner ultimately narrows in on practical steps anyone can use to see instantaneous results, regardless of your past failures, current financial situation, or future goals. But his mission is not to simply transform you. Dr. Vitale's mission is to create a swarm of Awakened Millionaires transforming the world with every action they take, while enjoying personal luxury and soulful fulfillment new levels of money and spiritual growth can give them. The book reveals: How to turn your passion into wealth How to transform money into a spiritual tool How to create a soulful mission that changes the world If you desire both wealth and spirituality, this book finally reveals how.

Rules are made to be broken . . . If England had yearbooks, I'd probably be "Arden St. Ives: Man Least Likely to Set the World on Fire." So far, I haven't. I've no idea what I'm doing at Oxford, no idea what I'm going to do next and, until a week ago, I had no idea who Caspian Hart was. Turns out, he's brilliant, beautiful . . . oh yeah, and a billionaire. It's impossible not to be captivated by someone like that. But Caspian Hart makes his own rules. And he has a lot of them. About when I can be with him. What I can do with

him. And when he'll be through with me. I'm good at doing what I'm told in the bedroom. The rest of the time, not so much. And now that Caspian's shown me glimpses of the man behind the billionaire I know it's him I want. Not his wealth, not his status. Him. Except that might be the one thing he doesn't have the power to give me. Arden and Caspian's love story continues in *How to Blow It with a Billionaire*, coming Fall 2017. In *Multiple Streams of Income*, bestselling author Robert Allen presents ten revolutionary new methods for generating over \$100,000 a year—on a part-time basis, working from your home, using little or none of your own money. For this book, Allen researched hundreds of income-producing opportunities and narrowed them down to ten surefire moneymakers anyone can profit from. This revised edition includes a new chapter on a cutting-edge investing technique.

*Mastering the Inner Game of Wealth*. Have you ever wondered why some people seem to achieve wealth effortlessly while others work just as hard but still struggle financially? In this fresh and original book T. Harv Eker explains how you too can master the inner game of money so that you will not only achieve financial success but keep it once you have it. Using breakthrough techniques T. Harv Eker shows you how childhood and family experiences and inner mental attitudes shape your view of money. Each of us has a personal money and

success blueprint already ingrained in our subconscious minds, and it is this blueprint that will determine the course of our financial lives. Eker reveals: Powerful 'declarations' that drive new, money-attracting beliefs into your subconscious; Dozens of high-income and wealth creation strategies; What truly wealthy people know that others do not; The cause of almost all financial problems; How to earn passive income, so that readers can make money while they sleep. Armed with insights provided in this book, you can begin taking action to transform your financial self, quickly and permanently.

In this classic bestseller, acclaimed author and speaker Matthew Kelly offers inspiring, take-charge strategies to help you discover your deepest desires, identify your unique talents, and lead a life filled with passion and purpose. Do you ever feel that if you weren't so busy you would be happier, healthier, more effective, more fulfilled...and maybe even a better person? The Rhythm of Life will help you to bring into focus who you are and why you are here. Through this book Matthew Kelly will help you discover your legitimate needs, deepest desires, and unique talents—and become the-best-version-of-yourself. He helps you bring into focus who you are, why you are here, and what possibilities stand before you... Everything is a choice. This is life's greatest truth and its hardest lesson. It is a great truth because it reminds us of our power to live the life of our

dreams. It is a hard lesson because it causes us to realize that we have chosen the life we are living right now. The measure of your life will be the measure of your courage. Fear stops more people from doing something with their lives than lack of ability, contacts, resources, or any other single variable. Fear paralyzes the human spirit. Life takes courage. With this groundbreaking guide, Kelly cuts through the stifling clutter of our everyday lives and delivers a clarity that is both refreshing and liberating.

Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of

life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old.

Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Easy to understand and simple to apply, *The Five Lessons a Millionaire Taught Me About Life and Wealth* is one of the most powerful books ever written about money. This book will change your life. When Richard Paul Evans was twelve, his father, a building contractor, shattered both his legs. With no insurance, no income, and eight children, the family was destitute. At that difficult time young Evans was introduced to a kind multimillionaire who taught him the five secrets of wealth. Today, Evans credits those lessons not just with bringing him wealth and success but with bringing him freedom and opportunity in a world where financial slavery is ubiquitous. In his signature motivational voice, Evans interweaves those influential lessons with personal stories from everyday people. He explains that money should not be the preoccupation of our lives. Rather, if we follow the five principles, we will be free to focus on God, family, and relationships -- the true nourishments of life. Wise and compelling, *The Five Lessons a Millionaire Taught Me About Life and Wealth* can be read in a single sitting and will leave you with a new view of what it means to be rich -- and convinced that you, too, can build wealth. *The Five Lessons a Millionaire Taught Me About Life and Wealth* is endorsed by financial consultants, churches, schools, and marriage

counselors. You cannot afford to be without this book.

I took home more in a year than the CEOs of McDonalds, IKEA, Ford, Motorola, and Yahoo....combined....as a kid in my twenties....using the \$100M Offer method. It works. And it will work for you. Not that long ago though, my business had gotten so bad that I literally couldn't even give my services away for free. At the end of each month, I would look at my bank account hoping to see progress (but there wasn't). I knew something had to change...but what? Over the 48 months, I went from losing money to making \$36 for every \$1 spent. In that time period, we generated over \$120,000,000 across four different industries: service, e-commerce, software, and brick & mortar. But, unlike everyone else, we didn't have great funnels, great ads, or a wealthy niche. In fact, we didn't even send emails until we had crossed \$50M in sales(!). Instead, we were able to do this

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: Give me five minutes, and I can predict your financial future for the rest of your life! Eker does this by identifying your money and success blueprint. We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money -- and if somehow you do, you will most likely lose it! The good news is that now you can actually reset

your money blueprint to create natural and automatic success. Using the principles he teaches, T. Harv Eker went from zero to millionaire in only two and a half years. Eker is president of Peak Potentials Training, one of the fastest growing success training companies in North America. With his unique brand of street smarts with heart, Eker's humorous, cut-to-the-chase style keeps his audience spellbound. People come from all over the world to attend his sold-out seminars, where crowds often exceed 2,000 people for a weekend program. So far, Eker's teachings have touched the lives of more than a quarter million people. Now, for the first time, he shares his proven secrets of success in this revolutionary book. Read it and grow rich!

This book is a celebration of ideas: how they happen and their sometimes unintended results. In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among *Grit*’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or

circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winingly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).
