It can be quite daunting at first, but with a bit of forethought and planning it may become your favorite kind of work as an artist. The first thing you must remember is that no matter how organized you try to be things can and often do go wrong, and many factors are simply out of your control. You can't control the sun, wind, rain or variable light. Which hour of the day do you like best? Morning, when it's sharp and the shadows are long? Noon, when it's bright and there is very little shadow at all? Or twilight, when the light is fading? What do you do if it rains? Expect the unexpected and have a Plan B. You may even end up painting in the car but that's OK - do whatever it takes to get the job done. The results of all this agony, though, should be well worth it - a vivid impression of a moment in time, in spite of everything that Mother Nature can throw at you. Sometimes the best work happens spontaneously and not in the carefully controlled atmosphere of a studio, where you have all your creature comforts around you. For the purposes of this book we're working in black and white. We'll tackle paints, pastels and colored pencils later.

Covers organizational skills, active studying, goal setting, note taking, textbook assignments, report writing, listening skills, time management, visualization techniques, and parental help

This set includes Lies Women Believe and the Lies Women Believe Companion Guide. In Lies Women Believe,

bestselling author Nancy DeMoss Wolgemuth exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. "Many women live under a cloud of personal guilt and condemnation," says DeMoss. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. In the Lies Women Believe Companion Guide, DeMoss divides the study into ten sessions for individuals or small groups. Each chapter includes the following features: In a Nutshell: Gives you an overview of the chapter to be studied from Lies Women Believe and reminds you of the lies discussed within that chapter. Exploring the Truth: Offers a daily personal study for you to complete during the course of the week between your small group meetings. Each day's study includes a few pages to read from Lies Women Believe and then questions to answer under the subtitles "Realize," "Reflect," and "Respond." Walking Together in the Truth: Provides questions to be discussed when your small group meets. Now there is a resource that will help you go deeper with the truths from DeMoss's best-selling book Lies Women Believe. These penetrating questions will make you and your friends think and wrestle with the Truth as you search the Bible for answers to tough issues. Truth is not just something to know but something to live out in the laboratory of life as you apply the Word to real-life situations. The Companion Guide for Lies Women Believe is ideal for small groups, Bible Studies, and Sunday school classes.
