

The Billionaire S Obsession The Complete Collection

I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crème de la crème of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until it...wasn't. I guess I never realized that brief periods of perfection could instantly be followed by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxton Montgomery, my billionaire boss, and the king of one-nighters . Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the

guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood what I was going through, even when I didn't understand it myself. Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us. What happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything? Jax had helped me claw my way back into my life, but was I brave enough to risk everything all over again to keep the one man I'd always wanted but could never have?

It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. He goes over to one of the cupboards and opens it, and there is a fully stocked bar. 'I'm having scotch. What would you like?' 'Vodka. And juice.' If I'm drinking, I might as well do it properly. I hear the chink of ice, and the pour of the spirits. He comes over with the glasses and hands me mine. I take a sip. He's made it strong, but the ice takes away the sting. Before I can lower my glass, he lunges, finding my chin with his hand, and pulling it up to his waiting mouth. His kiss is soft and warm, and tastes of the scotch he has just consumed, making my lips tingle with warmth. Our mouths sink against one another as

though they were made for each other. The kiss stretches on and on, neither of us wanting to end it. I open my mouth a little, and his tongue darts in, exploring. He moves closer, until his chest presses against mine. I can feel the strength of his body beneath his suit. I run a hand up his front. His abs are like steel, and his chest is hard and defined. His hands slide down my body too, cupping my ass in firm hands. He pulls back suddenly. 'I don't know your name.' 'Alicia,' I say. 'Alicia,' he whispers. I am about to ask him his name when his mouth reclaims mine, and the kiss is so passionate it drives all rational thought from my head. The alcohol fills my being, making the world soft and fuzzy, letting me give in to the base need my body so desires. 'I want you,' I whisper. 'I want you now.' 'I want you too,' he replies. He smells like the sea. His mouth continues to explore mine, as he reaches down and begins to gather up the fabric of my dress, lifting it up and over my hips. He slides his hands along the insides of my thighs, touching the silky material of my panties with a light pressure. His fingers brush my --- and I groan against his mouth. At first, I thought I was imagining things. I was, after all, worse than ordinary, a 27-year-old bespectacled workaholic who cared so little about her appearance that she didn't mind leaving the house without taking a shower. I never wore makeup and had my hair up all the time so I wouldn't have to drag a comb through the occasional knots. The only reason people didn't think I was a social misfit was because Korean fashion had claimed global domination; I could now leave the house in hoodies and sweat pants and still have my outfit considered as stylish. So I was that kind of person, and Ioniko being another kind of person, you could see why I had to think I was imagining things. There were times when I would be on my desk, tapping away on my iPad when I'd feel his gaze on me. Times when I would browse the latest magazines on the racks and I'd feel his eyes following every unconscious sway of my hips. Times when his stare would just burn so effing much that my body couldn't help reacting, and I'd start tingling and aching all over. Times when I wanted to forget all my inhibitions and be just like almost every other girl at Associate and imagine him making love to me. There were lots of times that it almost felt undeniable he was staring

File Type PDF The Billionaire S Obsession The Complete Collection

at me, but even so. Every time I felt he might be staring at me, I simply told myself nope. Just nope, nope, nope. Could he really be staring at me while I was waiting for his sister to issue me a replacement card at the counter? Nope. Were those his eyes digging holes into my back while I was chatting with Wyatt? Nope. I was determined to never let myself think otherwise, thinking that would end things, but it didn't. Note: This is a steamy, insta-love, standalone no-cliffhangers romance. 100% escapist fiction.

happened to them. Did Lia really end up marrying the wrong guy? Although this story is part of The Billionaire's Obsession series, it can be easily be enjoyed as a standalone friends to lovers billionaire romance. Lia: I thought I had my life all worked out. My wedding had been meticulously planned. All I had to do was walk down the aisle and get married to the man I'd been engaged to for over a year. Pretty easy and uncomplicated, right? Unfortunately, all of my well laid plans go up in smoke when my fiancé leaves me at the church alone because he found a woman who was better suited for his snobby world of wealth and privilege. After realizing what kind of man my intended groom really was, it was hard not to be more relieved that I'd dodged a bullet than I was heartbroken. Problem is, I still need to get married. All of my hopes and dreams are dependent on me tying the knot by my twenty-eighth birthday, and that date is closing in fast. Way too quickly for me to fall in love all over again. As usual, my best friend Zeke Conner is there to pick up the pieces after I'm left at the altar by a jerk. He helps me work through the demoralizing event so I can put it behind me and move on. I'm stunned when he offers to marry me himself, but it's a bargain I can't really refuse. As my relationship starts to change with my best friend, I find myself caught in a web of sensual desire and unending passion that's as terrifying as it is satisfying. Probably because it seems all too real.

Our arrangement was supposed to be temporary. A deal between friends that Zeke swore would benefit both of us, but as our marriage starts to feel like so much more than just a charade for me, what will happen when it all ends? This book was originally published under the title "Temporary Groom" as a part of the now-discontinued Left at The Altar Series. It's been completely re-written with added chapters and material, and retitled Billionaire Unwed as part of The Billionaire's Obsession series.

There's a problem though: his dead brother's last request was that he should buy Amy's company in order to complete the project he was working on.
