

The Eternal Promise

This edition adds "Have You Ever Seen a Miracle?" and "Children of the Light." In addition, an introduction by Howard Macy and an index of all three of Kelly's works make this edition especially valuable. Sequel to A Testament to Devotion.

A 2001 Christianity Today Book of the Year! While patristic commentary on St. Paul's shorter letters--Colossians, 1-2 Thessalonians, the Pastorals and Philemon--was not so extensive as that on his longer letters, certain passages in these letters proved particularly important in doctrinal disputes and practical church matters. Pivotal in controversies with the Arians and the Gnostics, the most commented-upon christological text amid these letters was Colossians 1:15-20, where Jesus is declared "the image of the invisible God, the firstborn of all creation." In other texts scattered throughout the Pastorals, the fathers found ample support for the divinity of the Son and the Spirit and for the full union of humanity and divinity in the one redeemer, the "one mediator between God and men, the man Christ Jesus" (1 Timothy 2:5). These early Christian commentators also looked to the Pastorals, where Pauline authorship was assumed, for important ethical and moral teaching, as well as explicit qualifications for choosing church leaders and guidelines for overseeing the work and behavior of widows. Chief among the Eastern commentators and widely excerpted throughout this volume is John Chrysostom, praised for his pastoral insight and shrewd, generous empathy with the apostle Paul. Other Greek commentators whose works are cited include Theodoret of Cyr, Theodore of Mopsuestia, Severian of Gabala, Ignatius of Antioch, Justin Martyr, Irenaeus, Clement of Alexandria, Athanasius, Basil the Great, Gregory of Nazianzus and Gregory of Nyssa. Among Western commentators Augustine dominates. His work is joined by that of Ambrosiaster, Pelagius, Jerome, Hippolytus, Tertullian, Novatian, Cyprian of Carthage, Hilary of Poitiers and Ambrose, among others. Of particular interest for their ascetical and devotional insight are works from Syrian and Egyptian churches, including Aphrahat, Ephrem the Syrian, Isaac of Nineveh and Philoxenus of Mabbug. This volume opens up a treasure house of ancient wisdom that allows these faithful witnesses, some appearing here in English translation for the first time, to speak with eloquence and intellectual acumen to the church today.

Biblical interpretation of the Abrahamic Covenants and his descendants often present a bias against the Arabs and Ishmaelites perhaps due to lack of full knowledge of God's covenantal promises and blessings to humanity. Dr. Cherian presents clear evidences that God has no partiality and that Jews, Christians, Arabs, Muslims, Hindus and all people are equally called to be the partakers of the Kingdom of God. Ishmael was not rejected, but he and his generations were abundantly blessed, and they have a continuous role to play in the end stages of the world. As a skilled detective the author examines the Scriptures and calls all people to unlock the Bible and fight for the Eternal Promised Land. The book presents: *A complete history of God and humanity

Following his remarkable exegesis on the first and second periods of Jesus' genealogy, the best-selling author, in the fifth installment of the History of Redemption series, covers the third and final period, which spans the fourteen generations from the Babylonian exile to Jesus Christ. His readers will be filled with assurance that God's promise of the Eternal Covenant will certainly be fulfilled. The gospel of Jesus Christ is intimately bound up with the glory of Christ Himself. Moreover, all of the major themes of Christian theology are vitally informed by the person and work of our glorious Lord. Aware of these connections, Ryan McGraw gives us a big-picture view of the gospel that begins with the eternal plan of salvation, moves through the covenants of works and of grace, traces every stage of Christ's incarnation and work, and concludes with His reign in the church. Throughout the book, careful attention is given to the importance of the Trinitarian nature of God and the believer's union with Christ. Here is a call to faith in and fellowship with Jesus, demonstrating how the glory of Christ is truly the best news anyone can embrace. Pan Tanner grew up in a family of cannibals-that is, when they are in human form. Pan's family is very old, and one of the last surviving families of time lords. His father, Skyner, and Pan are gourmet chefs, butcher their own meats, give free charity meals, and protect all life forms that deserve to survive. Unknown to Pan, Charley, Morgaine and Dana, Skyner is also a Guardian. Having almost died, one of Pan's uncles, Lancelot, restores Pan. In return, Skyner trains Pan to become a Guardian of the universe. Pan eventually becomes stronger than Zeus, who is always looking for ways to destroy him. Pan is one of a select few who takes care of the universe-as you take care of your home. Now Pan uses evil methods to help protect the innocent-but for how long?

Today the "land of promise" is a spark in the tinder dry atmosphere of Middle Eastern affairs. Events there continue to wield influence among peoples and in places well beyond the region itself. This raises for Christians the acute theological problem of how to relate to the "land of promise" today and in light of the land of the Bible. Our hope is that this volume of essays will contribute to a more informed and theologically coherent response to the "Land of Promise." It is offered here in the name of peace for all peoples in that place and among those who continue to look to her as a place of promise.

This fresh assessment of covenant theology may represent the first book-length examination of the structural relationships of the Old Testament covenants. Tremper Longman, a professor of Old Testament at Westminster Theological Seminary, describes *The Covenants of Promise* as "a marvelously written and profound book which deals with some of the most crucial issues in biblical theology." "The significance of *The Covenants of Promise*," writes the author, "is in its application of the structure of the covenants to biblical theology. . . . The division of the Old Testament covenants into the categories 'promissory' and 'administrative' is unique in the literature on the covenants." This complex "bi-covenantal" structure within which God disposes of the inheritance promised to his people becomes discernible in the biblical text through a sound application of proper exegetical theology. The textual evidence leads one to question the way some tenets of traditional covenant theology have been expressed, but not the tenets themselves. The author first explores the promise in its Old and New Testament settings. He deals with the way in which the promise is expressed in the major covenants, devoting considerable space to the law in the teachings of Jesus and Paul. Next he argues that the promise covenant is eternally valid and that circumcision, the law, and the new covenant are "administrative covenants." Finally he examines the implications of this structure for biblical theology. Selected topics are the redemptive relationship between Father and Son, the covenant of works, law and grace, and the relationship between the testaments.

You Crown the Year with Your Goodness is a remarkable work, containing timely and timeless homilies for the liturgical year by a profound spiritual writer. Originally broadcast on the radio, the homilies in this volume span decades and represent some of the best of Father Hans Urs von Balthasar's preaching. They are arranged to correspond with the Church's liturgical calendar, and include homilies on major feast days of Christ, his Mother, and the liturgical seasons. Each homily makes for insightful, informative, and inspirational spiritual reading, deepening the reader's appreciation for the Word of God and helping him to enter into the great Mystery of God. Also included are Father von Balthasar's Year's End Examination of Conscience and four talks on Jesus Christ, that address contemporary debates about the Lord. This work is a feast for the heart and the mind presented by a man described by Pope Benedict as "a priest who, in obedience and in a hidden life, never sought personal approval, but rather in a true Ignatian spirit always desired the greater glory of God".

J. Mark Beach untersucht die Bundestheologie Francis Turretins und entdeckt dabei einen Strang in der reformatorischen Theologie des 16. The aim of systematic theology is to engage not only the head but also the heart and hands. Only recently has the church compartmentalized these aspects of life—separating the academic discipline of theology from the spiritual disciplines of faith and obedience. This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights—characterized by a simple, accessible, comprehensive, Reformed, and experiential approach. In this volume, Joel R. Beeke and Paul M. Smalley shift from the doctrine of God (theology proper) to the doctrine of humanity (anthropology) and the doctrine of Christ (Christology). This extensive reformed theology explores the Bible's teaching about who we are and why we were created, as well as who Jesus is and why his divinity is essential to the Christian faith.
