This book takes you through six weeks of activities on the theme of animals. Each activity is linked to a specific Early Learning Goal, and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting. This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children's topic, as well as ideas for bringing the six weeks of learning together. The weekly themes in this book include: name the animals, hide and seek, where I live, farm animals, pets and animal babies.

This book shows teachers how to differentiate instruction based on their students' learning preferences. Included are strategies and lesson plans for visual, auditory and kinesthetic learners; analytical, practical and creative learners; and multiple intelligences, etc. Also included are over 50 blackline masters which you can copy or download to use in your classroom.

Encourages the reader to exercise by following the movements of various animals; presented in a question and answer format.

'The bad-tempered ladybird': The bad-tempered ladybird refuses to share, and tries to pick a fight with every other animal it meets, but by the end of the day it has learnt a valuable lesson. 'Let's paint a rainbow': Two painters count the number of coloured stripes required to paint a rainbow. 'The mixed-up chameleon': The Chameleon has a pleasant life catching flies and changing colour as he changes mood, but it is not a very exciting life. Until, that is, he goes to the zoo and sees all the other animals! He wishes he could be like the polar bear, the flamingo, the fox - and suddenly he is changing more than just his colour. He's a very mixed-up chameleon!

A bored chameleon wishes it could be more like all the other animals it sees, but soon decides it would rather just be itself. The reusable stickers can be used to create your own mixed-up chameleon.

Bilingual Picture Books in English/Hindi

Traditional Chinese edition of "1,2,3 To the Zoo." A counting picture book for preschool children. Large size. In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.

A chameleon changes more than just its color when it takes on the characteristics of animals seen in the zoo.

The chameleon's life was not very exciting until the day it discovered it could change not only its color but its shape and size, too. When it saw the wonderful animals in the zoo, it immediately wanted to be like them -- and ended up like all of them at once -- with hilarious results.
