What is true faith? In *The Power of Kingdom Faith*, Dr. Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature, character, and power of true faith, or, Kingdom faith. Kingdom faith trusts not in the promises of God but in the God who promises; seeks not the blessings of God, but the God who blesses. Kingdom faith will always be tested, but because it places its trust in the King of the universe, will always prevail under testing. Kingdom faith, therefore is a triumphant faith that will overcome the world.

What Vital Choices Can We Personally Apply to Kingdom Living Principles Right Now in Our Daily Lives? Many people have a general concept about the Kingdom of God but do not really know how to relate Kingdom living to their lives in the 21st century. After 38 years in ministry, Pastor Scott Kelso knows what works and what doesn't. In *Let's See What Sticks*, he presents the inside track on how you can personally identify and apply the transformational Kingdom principles in your life to improve your Christian walk. He answers the common dilemma asked by most modern Christians: "where do I fit in and how can I use my particular resources most effectively?" In *Let's See What Sticks*, Pastor Scott unpacks Biblical principles and pastoral philosophies from the congested, unengaged dogma clogging our churches as 'everyone's opinions.' He truly believes that a Kingdom-centered church will go a long way to bring our country back from the brink to its original, God-given status. He clearly defines: Five Conditions for Successful Prayer- contrition, wholeheartedness, faith, righteousness, and importunity; Five C's of Marriage-Maturity Traits- commitment, character, courage to change, challenge, and consideration; Five Beauty Marks of the Church- passion, joy, transparency, grace, and love; Four T's of Shepherding- telling, tending, teaching, and training; Five Conditions of a Church in End-Times- evangelism, real vs. counterfeit faith, signs and wonders, encouragement, and loyalty to others. The chapters are well-documented and will provide excellent guidelines for pastors engaging their congregations in some forward thinking study groups as our churches all attempt to penetrate our communities for Christ. Additionally, several, God-inspired prophetic conclusions are provided by Pastor Scott. *Let's See What Sticks* is an "in season" message for the Body of Christ giving the Church opportunity to stand up and be "salt and light" in America, once again.

The "Gospel of the Kingdom" shall be preached in all the world before the return of the Lord Jesus Christ (Matthew 24:14). Understanding of Kingdom principles is necessary if one is to spread the Gospel of the Kingdom. This course focuses on patterns and principles of Kingdom living applicable to life and ministry.

*The Principles of Kingdom Living* examines the scriptures to strengthen relationship with God. The book includes scriptures, affirmations, and prayers that encourage every believer to seek the Kingdom of God.

The kingdom of God is revealed through the acceptance of Jesus Christ. He told

Nicodemus that unless one is born again, he cannot see the kingdom of God. However, those who have received Christ are members of the kingdom of God. There are standards and protocols that exist in the kingdom of God. In this first book of the life in the kingdom series, we will explore seven foundational precepts concerning the kingdom of God. In understanding these precepts, one will live a successful life in the kingdom of heaven. Book 1 of 2.

Principles for Christian Living is a gift of inspiration, encouragement and prodding to believers to live the way that Christians should live so they can reap the great rewards of a Godly life. Those principles of faith, discipline, obedience, forgiveness, commitment, hard work and sharing are brought beautifully to life through the experiences Rev. Ramsey had growing up poor financially on a Georgia farm but enriched with devoutly religious parents who ensured that he knew God at an early age. He shows how these principles apply to people's real lives and daily challenges. In today's world - a world full of turmoil and obsessed with material goods and riches, a world that glorifies greed, lewdness and indifference to the needs of others, a world where "Love thy neighbor" is largely ignored - this is the kind of book people need desperately. And Rev. Ramsey, who lives these principles daily and preaches them from the pulpit constantly is just the person to write it.

What are the true kingdom principles that Jesus Christ taught? Why are so many churches failing our communities and the world? If you are searching for the answer to these questions, this book has them. Many churches have abandoned the true principles of the Kingdom. So many religious leaders today have become lovers of money, the world and of themselves, rather than of the people that they are supposed to be helping. Because of this, people have lost faith in the Church. This book was written to address and to correct those issues. It teaches the true principles of the Kingdom of God, while exposing the error, ignorance, and many false teachings of the Church-particularly tithing. It reveals the truth about what the Lord's will is concerning his true Church and your life. This book highlights many issues that the Church has created by not teaching the truth to the people, while giving you the keys to living a full and blessed life. God's Kingdom Principles are what the world needs-not more scandals, not more church politics, not more organizations, and certainly not more traditions. God knows what he's doing. So if you apply his principles to your life, they will work. And he will show you exactly what Kingdom Living is all about. It doesn't matter if you worship God in a building or in your home. What matters is what he sees when he looks into your heart! And that is what this book is designed to do: change your heart! But it will also change your life. For you shall know the truth and the truth will set you free.

My purpose for writing this book is to share Biblical insights that correspond with Stewardship. I believe our people in the pews want to learn what God says about giving. Hopefully, this study will reach believers who need instruction on this topic. Scripture has much to say about money and material possessions. Sixteen of the thirty-eight parables of Jesus deal with money. One out of every ten verses in the New Testament deal with this subject. Scripture has 500 verses on prayer, less than 500 verses on faith, but over 2,000 verses on the subject of money.

Money is an extremely important issue because a person's attitude towards it determines his relationship with God, his purpose in this life, and his character. I encourage you to read this book to see how God has put together a wonderful way for Christians to act as a conduit of His material and spiritual blessings. God's plan for Biblical Stewardship allows believers to faithfully share what the Lord places in their trust. About the Author: Dr. Donald Gamble is a graduate of Luther Rice Seminary. He has served churches in the two Carolinas and Florida. It is this writer's belief that when God's people are taught the principles of stewardship, they will be obedient in giving. Dr. Gamble resides in Waxhaw, North Carolina with his wife, Judy. They have three grown children and six beautiful grandchildren.

Second volume in the Kingdom Living Christian series.

In the natural world, the process of appropriating a place for ones own use involves planning, organization, and strategies for implementation. Getting to know the people, language, and culture is a valuable asset for effective communication. Possibly the greatest need in succeeding is the provision of a leader to act or speak on behalf of the new government. A person who is knowledgeable of the government and loyal to its king would be an ideal candidate. The key here seems to be an acknowledgment of and commitment to the process. We first see the process of colonization as Gods choice to make earth an extension of heaven the place created for Him. God is a spirit, and therefore, we understand that He lives in a spiritual place. It is invisible. The extension, however, is visible. It is a garden given to His creation, humankind, with instructions. There is evidence that socialization, education, empowerment, and complementary relationships are parts of the preparation process of those who are made representatives of heavens government. Gods design for teaching humankind to think like He thinks is the perfect blue-print. It seems that as believers, children of God, and kingdom citizens, we have not completed the process. We must move from being believers to kingdom representatives. We must learn to think like our King, which will be reflected in our behavior. Having developed a kingdom mind-set, we must then help other believers experience the process.

But physically, mentally, spiritually, individually we have achieved only a measured level of success. God said when we, the universal church truly comes together in Unity, the miraculous, the phenominal, the supernatural shall manifest. Adherents of every other religion must “work” to reach up to their god. The God of Christianity reaches out to His human creation and takes the initiative to form a personal relationship with each one. J.D. Fleck paints a beautiful portrait of this extraordinary interaction between God and mankind in “God knows my name” and the nine other essays that constitute the book, In Pursuit of God.He calls this effort a “pursuit”, with a goal of helping each follower of Christ form a closer relationship with their Creator, Savior and Lord. Each essay is a treasure trove of truth that you can easily be completed in thirty minutes or less, but which you'll want to read and re-read again for the importance of the gems contained therein. The knowledge garnered does not have to be strained for; for it's God's good pleasure to reveal the mysteries and principles of His kingdom to His kids.With the same clarity that Soaring above the Storm took us onto the spiritual battlefield of the mind and revealed both the enemy's strategies and God's overwhelming

plan for victory, J. D. Fleck's most current work, *In Pursuit of God* takes the follower of Christ through the gates of the Kingdom to produce a vibrant picture of what it means to please God and to enter "the secret place of the Most High." *In Pursuit of God* might well be considered a prequel to *Soaring*, for it reflects the author's more than three decades of service to the Lord, and his insight into Kingdom principles. J. D. Fleck previously shared his knowledge of the supernatural realm and spiritual warfare; now his focus is on the unconditional love and amazing grace which God has bestowed upon His faithful.

Two thousand years ago the Lord Jesus Christ sat down on a hillside in Galilee, and set forth fundamental principles by which individuals could be happy. If those fundamental principles are followed, Christian individuals will be salt and light to society. In this easy-to-read book on Jesus' most famous sermon-"The Sermon on the Mount"-Dr. Murrell explains what it means to be "salt and light," the simplicity and clarity of the gospel, what role love plays in the Christian life, the importance of living ethically, and so much more. If you desire to grow in grace and truth, if you want to know how to live as a member of the kingdom, this is a must-read!

*Kingdom Principles For Proper Living* will direct you to exactly where the good things of life are located.
