Now, a handful of families inhabit this bunker together, guided by a charismatic leader named Dr. Imogen Moran. There are many rules Dr. Moran has instilled to govern life belowground. You must always tell the truth. You must avoid the light of the sun. You must never touch skin to skin. But the most important rule, the one that was drilled into their heads from the moment the hatch slammed shut all those years ago, was at the very end of the list. It rattled around in their skulls when all was silent, echoing in the quiet, lonely dark. You must never go outside.
