The Silent Sea A Novel of the Oregon Files G.P. Putnam's Sons

Oceanic explorers Dirk Pitt and Al Giordino find intrigue, adventure, and peril while collecting clues to the mysterious treasure of Xanadu, the famed capital of Kublai Khan's empire. When Dirk Pitt is nearly killed rescuing an oil survey team from a freak wave on Russia's Lake Baikal, it appears a simple act of nature. But when the survey team is abducted and Pitt's research vessel nearly sunk, it becomes clear this is no run of bad luck, but the influence of something, or someone, more sinister. In fact, Pitt and the NUMA crew have inadvertently stepped between a Mongolian tycoon and his plans to corner the global oil market, beginning with covert negotiations in China. To ensure the deal goes through, this mysterious businessman will encourage ever-escalating acts of sabotage and violence. Pitt and Giordino soon learn the magnate's fury and his power both stem from the same source: a dark secret about Genghis Khan, the greatest conqueror the world has ever known. To Pitt and Giordino the famed Khan's empire is nearly the stuff of legend and his tomb a forgotten mystery. But the Khan's legacy is very real. And it's the treasure of his grandson Kublai Khan that holds the key to stopping this modern-day oil baron from restoring the conquests of his ancestors. That is, if Pitt and Giordino get there first....

When NUMA team leader Kurt Austin finds his own memories of a dangerous mission aren't to be trusted, he must follow a trail of mysterious disappearances to the truth in this novel in the #1 New York Times bestselling series. After a narrow escape during a perilous rescue operation to save the passengers and crew from a sinking yacht, Marine adventurer Kurt Austin awakens with fragmented and conflicting memories. Did he see an old friend and her children drown, or was the yacht abandoned when he came aboard? For reasons he cannot explain, Kurt doesn't trust either version of his recollection. Determined to know the fate of his friend, he begins to search for answers, and soon finds himself descending into a shadowy world of state-sponsored cybercrime, and uncovering a pattern of vanishing scientists, suspicious accidents, and a web of human trafficking. With the help of fellow NUMA operative Joe Zavala, he takes on the sinister organization at the heart of this web, facing off with them in locations ranging from Monaco to North Korea to the rugged coasts of Madagascar. But where he will ultimately end up even he could not begin to guess.

"Juan Cabrillo and the crew of the Oregon face their toughest challenge yet when a violent bank heist during the Monaco Grand Prix decimates the Corporation's accounts. To get the money back, Juan joins forces with an old friend from his days in the CIA so they can track down a rogue hacker and a ruthless former Ukrainian naval officer. It is only after the hunt begins that the enormity of the plan comes into focus: the bank theft is just the first step in a plot that will result in the deaths of millions and bring the world's economies to a standstill. The catalyst for the scheme? A stunning document stolen during Napoleon's disastrous invasion of Russia. But two hundred years later, it may be the thing that brings Europe to its knees." -- The world's oil supply is vanishing, the stock market is plummeting, and the key to saving the future seems to be a baffling historical mystery. Can the NUMA crew crack it in time? Sea of Greed is the suspenseful new NUMA Files novels from the #1 New York Times-bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs trying to revive a dying field, Kurt Austin and the NUMA Special Projects Team are tapped by the President of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age; her company has spent billions developing the worlds' most advanced fuel-cell systems. But is she an environmental hero...or a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with bacteria that are consuming the oil before it can be pumped out of the earth--a bacteria originally lost decades ago when two submarines vanished in the Mediterranean. With hired killers on his trail, can Kurt Austin locate a submarine that's remained hidden for more than fifty years? And even if he can, can the biological terror that's been unleashed be stopped?

Chairman Juan Cabrillo and the rest of the Corporation's mercenaries fight to stop a corrupt activist group from unleashing a viral attack in this #1 New York Times-bestselling adventure from the Oregon Files. Captained by the rakish, one-legged Juan Cabrillo and manned by a crew of former military and spy personnel, the Oregon is a private enterprise, available for any government agency that can afford it. They've just completed a top secret mission against Iran in the Persian Gulf when they come across a cruise ship adrift at sea. Hundreds of bodies litter its deck, and, as Cabrillo tries to determine what happened, explosions rack the length of the ship. Barely able to escape with his own life and that of the liner's sole survivor, Cabrillo finds himself plunged into a mystery as intricate – and as perilous – as any he has ever known and pitted against a cult with monstrously lethal plans for the human race . . . plans he may already be too late to stop

Marine explorer Dirk Pitt must rely on the nautical lore of Jules Verne to stop a ruthless oil baron with his sights set on political power in this #1 New York Times-bestselling series. In the middle of its maiden voyage, a luxury cruise ship using revolutionary new engines suddenly catches fire and sinks. Its alarms stay silent; its sprinkler system remains inactive. Nearby NUMA special projects director Dirk Pitt notices smoke and races to the rescue. He's too late to save the engineer behind the ship's new technology, but helps the man's daughter, Kelly Egan, escape with her father's work in a leather briefcase. While Ms. Egan strives to uncover the hidden value in her father's inventions, Pitt is hired on by maritime insurers to investigate the wreckage. Neither are prepared for the mechanical marvels they'll soon be forced to confront. The machines could only be the stuff of legend, described in the tales of Viking explorers or the accounts of Jules Verne. And they may be Pitt and Egan's only hope when an oil tycoon with a plan of his own appears on the scene. Before journey's end, Pitt will take on a power-mad millionaire, tread upon territory previously known only to Verne's illustrious Captain Nemo, and make shocking discoveries about his own past.

The husband-and-wife treasure-hunting team of Sam and Remi Fargo return in a new adventure as they search for an ancient scroll--which carries a deadly curse--in this thrilling addition to Clive Cussler's bestselling series. In 533 A.D., the last Vandal ruler in North Africa consults an oracle on how to defeat the invading Byzantine army. The oracle tells the king that a high priestess cast a curse upon the Vandal Kingdom after a sacred scroll was stolen. In order to lift the curse, the scroll must be returned to its rightful home. But the kingdom falls before the scroll is found, leaving its location a great mystery. . . until a current day archeological dig, funded by Sam and Remi Fargo, uncovers some vital clues. The search for the ancient scroll is put on hold when the Fargos learn that a shipment of supplies intended for their charitable foundation's school has been stolen, and they travel to Nigeria to deliver new supplies themselves. But their mission becomes infinitely more complicated when they run afoul of a band of robbers. The group takes Remi and several students hostage, and there are signs that the kidnapping is related to the missing scroll. The Fargos need all their skills to save the lives of the young girls at the school before they uncover the hidden treasure. . . and lift the deadly curse.

Ex-CIA ship captain Juan Cabrillo leads the crew of the Oregon on a quest to save a kidnapped politician in this adventure in the #1 New York Times-bestselling series. Corsairs are pirates, and pirates come in many different varieties. There are the pirates who fought off the Barbary Coast in the late eighteenth and early nineteenth centuries, the contemporary pirates who infest the waters of Africa and Asia, and the pirates...who look like something else. When the U.S. secretary of state's plane crashes while bringing her to a summit meeting in Libya, the CIA, distrusting the Libyans, hire Juan Cabrillo to search for her, and their misgivings are well founded. The crew locates the plane, but the secretary of state has vanished. It turns out Libya's new foreign minister has other plans for the conference, plans that Cabrillo cannot let happen. But what does it all have to do with a two-hundred-year-old naval battle and the centuries-old Islamic scrolls that the Libyans seem so determined to find? The answers will lead him full circle into history, and into another pitched battle on the sea, this time against Islamic terrorists, and with the fate of nations resting on its outcome.

Chairman of the Corporation Juan Cabrillo and his mercenary crew steer the Oregon into battle against a militant leader and his cult-like followers in this #1 New York Times-bestselling series. Juan Cabrillo and the crew of the covert combat ship Oregon have barely escaped a mission on the Congo River when they intercept a mayday from a defenseless boat under fire off the African coast. Still smarting from a weapons-trade gone bad and a double-cross, Cabrillo takes action. He manages to save the beautiful Sloane Macintyre, who's on a mission of her own, looking for a long-submerged ship that may hold a fortune in diamonds. But what surprises Cabrillo is her story about a crazy fisherman who claims to have been attacked on the open sea by giant metal snakes in the same area. What begins as a snake hunt leads Cabrillo onto the trail of a far more lethal quarry—a deranged militant and his followers who plan to unleash the devastating power of nature itself against all who oppose them.

It is up to Juan Cabrillo and the crew of his ship, the Oregon, to stop a terrorist plot to release a deadly chemical weapon across the globe in the explosive new novel in Clive Cussler's #1 New York Times bestselling series. While interrupting an attack on a Kuwaiti oil tanker, Juan Cabrillo and his team discover something even more dangerous: a ruthless billionaire's dying wish has allowed a paralyzing chemical to end up in the hands of a terrorist group. When an Oregon crew member falls victim to the poison, Juan Cabrillo will stop at nothing to find an antidote before it is too late. He and his team must connect an ancient mystery with a cunning modern enemy in order to save millions of innocent lives, including their own.
