Witch Anjali Gupta keeps a damning secret. At age twelve, she saved the life of a boy not much older than her. Which would have been a good deed--if that boy wasn't a shadow demon, and Anjali meant to hunt and kill his kind. Now, ten years later, she discovers that the elusive dark protector who has covertly guarded her for years is in fact the shadow demon she once saved. Determined to face her past, she confronts him to find out if sparing his life was right--or whether he's the biggest mistake she's ever made. Thorne has never forgotten the girl whose inexplicable act of kindness saved his life. For years, he's been her silent, stealthy protector, not daring to act on his desire for her. When Anjali stubbornly wiggles her way into his life--and further into his heart--he fights the passion sparking between them--for the secret he keeps holds the power to destroy her.

We will claim her. She looks at my triad with disgust and hatred. We stare at her with pure hunger. Captured and forced to battle in the blood-soaked arenas of Bugra, my triad will live and die under the scorching sun. The only thing that moves our weary muscles and overcomes the pain of our wounds is the obsession of claiming our fated mate. She is brought to us humiliated and disheveled, and yet still her eyes burn with defiance. We are born to battle. We are born to blood and violence. Aurelians have no master, and when we break our shackles there will be a reckoning. She will be ours, even if I have to level empires and plunge the universe into war. I would kill for her, die for her, even as her hatred burns me to the core. She will be ours. Look inside to preview the book!

Diviners have told Audrun that the child she carries must be born in a haven of peace, far from her war-scourged homeland, but as she flees she finds only far greater danger. For her caravan is overtaken by Alisanos, the deepwood, a dangerous magical forest that harbors not only demons, gods, and other otherworldly creatures, but also its own sinister intentions--and which may have already claimed Audrun and her child for its own.

They call me the village spinster. I rather enjoy it. Single and free to dance with the witches under the moonlight whenever I please--what could be better than that? When the day king shows up to take ten changelings as his consorts, I'm happy those selection days are behind me. At least I thought they were. But instead of ten young females, King Solano chooses only one. Me. Emma Druzy, sock darter and 28-year-old spinster of Moonhollow. He takes me to the day realm, a world of sun and beauty the likes of which I've never imagined. Solano is far more than he seems, his wit and his warmth breaking down my walls. But there's danger here, too, the sort that creeps up on you despite the bright light of day. And if I'm not careful, I'll lose my heart to the day king or my life to his enemies. (Lily's note: Fae's Consort is a full-length novel that is the first in a completed duet. Mind the cliff.)

Three distant races of supernatural beings sharing very different goals must fight their emotions and true natures when their uneasy coexistence starts to erode.

Her (not very) Serene Highness Princess Tiana tries her best not to think about the dark lords ravaging her country or how the magic in her bloodline makes her family go mad. The descendant of a legendary hero, she prefers bringing the myths of old to life on the theater stage, not on the battlefield. Then a rash of suspicious deaths strikes the Regents--trusted advisors, friends, and guides to her troubled royal family--and the Noble's Council tries to cover it all up. Tiana is determined to get to the bottom of the murders and the conspiracy, even if that means making a dangerous pact with a telepathic demon trapped in a magical sword. But he may just be the edge she needs to save the people she loves. Cursed sword in hand, Tiana and her friends prepare to face the encroaching darkness--and the ultimate truth about her and her family.

We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest—wait no—forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in Portland with my best friend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing... I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome stranger bails me out of jail, my world is turned upside down, and suddenly I don't know who I am anymore. Because the Four Horsemen aren't the bringers of the apocalypse. I am. Talk about never catching a break.

Emma A sliver of light in the back of my mind. A hint of day, of warmth, of something familiar. A king with a bright crown of pure sunlight. But these are all just dreams, ones that needlessly haunt me. I know they are lies. Eraldon is my true king. He is my life, my dark heart. My wings and my fangs—they are his. Whatever memories I have of light, those are falsehoods, ones forced on me by my enemy. By my greatest hate—King Solano. A monster wrapped in sunshine, a liar who killed my friends and my mother. Together, Eraldon and I will end his evil and take his realm. Solano A soft touch of a warm hand. A hint of laughter, of wit, of a clever tongue. A changeling who was made for me. Who is my mate. But I didn't protect her. She is gone, stolen by the wretch who seeks to take all of Arin, to rule over it and turn it into a wasteland of bloodthirsty seekers. Eraldon took my mate and poisoned her. He will pay with his cursed life. I will not allow Emma to suffer at his hands. I will return to the night realm and once again claim my changeling. But this time, not as a consort. This time, as the rightful queen of day.

In the conclusion to the "Wheel of Time" series, all of humanity is in peril as Rand al'Thor moves forward to break the seals on the Dark One's prison and the Last Battle will determine the fate of the world.

In the winter of 1928, still seeking some kind of resolution, Freddie is travelling through the beautiful but forbidding French Pyrenees. During a snowstorm, his car spins off the mountain road. Freezing and dazed, he stumbles through the woods, emerging in a tiny village, where he finds an inn to wait out the blizzard. There he meets Fabrissa, a lovely young woman also mourning a lost generation. Over the course of one night, Fabrissa and Freddie share their stories. By the time dawn breaks, Freddie will have unearthed a tragic mystery that goes back through the centuries, and discovered his own role in the life of this old remote town. By turns thrilling, poignant, and haunting, this is a story of two lives touched by war and transformed by courage.
