stood aside, imagining he could live someone else's life and dreaming of something which would never be his; yet he wasn't ready to give it up. Once upon a time, there was a man who loved a woman. His only wish was to watch her achieve her dreams – without knowing that the only dream she ever wanted to achieve was him. Once upon a time, there was a woman afraid that no one would ever be able to love her – without knowing that there was a man who had loved nothing but her for his entire life. That man is me: Reid Johnson. And that woman is her: my deepest secret. Fine, so I have a few secrets – but it would be best not to reveal them, as they could take everything I have away from me. same mark. Similar deaths are reported in cities around the world - the victims all humanitarians, all with the same death mark. In Copenhagen, it falls to veteran detective Niels Bentzon to investigate. He is told to find eight 'good people' of Denmark and warn them of this threat. But Bentzon is trained to see the worst in people and he becomes increasingly skeptical as he realizes that not everyone perceived to be good is truly good. It is only when Niels meets Hannah, a brilliant astrophysicist mourning the death of her husband, that the pair begin to piece together the puzzle and a pattern emerges. There have been thirty-four deaths and there are two more to come. According to the pattern, Bentzon and Hannah can predict the time and place of the final two. The murders will occur in Venice and Copenhagen. And the time is now. A new century is coming, but Arizona is not ready to enter the 1900s. Rampant lawlessness is preventing it from attaining statehood, and the local law cannot contend with the rustling and killing. Into this chaos comes a man dedicated to his badge and an honorable pursuit of justice. Events are soon to compromise his personal code, however, and he's drawn into a dark crusade of revenge and retribution. There are men who need killing, and it's time to take off the badge. When Good Men Ride is a tale of vast proportions, running the gamut of action and emotions found in a cast of characters brought together by convoluted paths of fate. Enmeshed in the fabric of actual historic events, it is a story of mystery, romance, and violence told with classic style and insight into the fading Victorian values of its time and the people who were fading with them. We are presented with a rich assortment of men and women of depth and passion, friendship and love, hate and murder, and among them all is a kind and philosophical hero against one of the most brutal antagonists ever brought to the pages of western fiction.

This book is different from most other books of the same genre. It simply takes another approach at expounding upon these great Biblical themes. The author has taken the letters of each theme, and has built a chapter or chapters upon each letter. The author simply believes that there is something else to be said than what has been said so far about The Christian Faith.the faith which was once delivered unto the saints. May God bless each reader who reads these few pages. Dr. Jones was born in the small, Southeastern Kentucky community of Girdler. He is the youngest of fourteen children (seven boys and seven girls). He and his wife Carolyn now reside in Hamilton, OH. Dr. Jones has earned a Masters degree in Theology, and a Doctorate in Religion, having held five pastorates in over thirty years of ministry. This present work is his fourth book.

The Last Good Man is based on real fictitious events that more or less happened during the author's tour of duty at Marine Barracks Washington DC during the close of the last century. The Last Good Man is a book that hits military politics squarely on the head - by honestly retelling the story of one good man's failed attempt at saving his men from the insane and illogical madness that inhibits all of our military leaders. A story filled with humor, horror, and hope for us all. In the end, it's the story about the last good man in us all.
